

Hello Dance Families,

We are SUPER excited for our Winter Recitals coming up this Sunday 12/15. Dancers are looking great and I am so excited for you to see all of their hard work out on the dance floor. Please read through and let us know if you have any questions or concerns.

**The most important piece is to HAVE FUN! Slow down, relax and enjoy the day!**

**December Class Payments:** Please make sure all accounts are current and up to date by this Friday. We need accounts up to date prior to performance.

**Uniforms:** Please help your dancer be organized by laying out all items and **label everything.**

**Tickets:**

- Pre-sale tickets will be passed out in class this week. If you do not receive them, they will be in an envelope with your name on it at the ticket table. You can skip the line and find your envelope and grab them.
- On show day, tickets will be for sale in the main lobby area. Once you have your tickets in hand, please join the line to enter the gym. If you have Pre-Sale Tickets you do NOT need to wait in the main ticket table line.
- Please be respectful of those waiting in line and do not crowd by the gym door.

**\*\*NO items can be left in the gym in between shows to save/hold seats. Show volunteers can lay out blankets with a note/slip of approval from Victoria. Any items left in the gym without an approval note will be brought to the front sound table for pick up.**

**Cameras on show day:** Feel free to take as many pictures and videos as you would like!

**Hair/Make Up:**

Pre-1st Grade: Hair is 1/2 up, 1/2 down and curly

2nd-12th Grade: Hair is up in a nice dance bun with a middle part. If your class has a barrette, we ask that it goes right above the bun sideways.

-Make Up- we ask dancers wear a dark/red lipstick and blush on recital day. Please do not use any crazy bright eye shadow colors!

**Bun Tutorial:** <https://www.youtube.com/watch?v=YqJtwDQQvcU>

\*Middle part for dance bun\*

**Drop Off:** Please make sure your dancer has EVERYTHING labeled with their name prior to drop off in the Aux Gym. We ask that dancers in multiple classes have a bag or dance bin/tote with all of their items in it.

*\*Parents/family-please do not hang out in the Aux gym. Drop off your dancer and join the line to enter into the gym.*

**Pick Up:**

-Pre-3rd Grade dancers will make a circle on the floor once the show is completed. We ask that one parent comes down and grabs them.

-4th-12th Grade dancers please schedule pick up plans with your dancer.

**-Show Orders/Arrival Times:** [Click Here](#) to view arrival times and final show orders. Dancers will be receiving a paper copy at class this week. Please highlight routines and have them bring this with them on Sunday.

We are looking forward to a fun and exciting weekend! Cheer loud. Have fun!
