2:00pm

\*See the show line up to know when your dancer performs.

Children 5yrs and Under are FREE

## Dancers

- Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done. \*\*See the specifications for each class in this newsletter.
- Each class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.
- Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

## What to Expect

### PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the East Lot, which is located between Osseo Middle School and Osseo Senior High School.

### ADMISSION

Enter the school through Door 17- Community Education Door.

There will be 2 lines (one for pre-sale and one for those that need to purchase tickets) so please watch for the signs.

Remember to have your pre-sale tickets available to give to the door monitors.

### SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for families that have a member unable to climb in the bleachers.

### DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

### AFTER THE SHOW

Our last number will be the finale' which encompasses all classes. We will take a group picture and then take all the dancers back to the staging area. Please send only 1 parent to pick-up your dancer in the staging area.
