Dancers

Dancers should arrive with their hair/make up done and their uniform on.

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to keep uniforms organized in their bin and have everything labeled.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

All Pre-5th grade dancers will make class circles on the floor for pick up following the finale.
