## Dancers

Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done and make-up on.

Each Class will report to the RA Facility in the Dancers Only area. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag. We will have a changing area for those dancers that need to change between performances.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. The exception to this will be the Teeny Kix and Pre-Petite Class, which will stay with the class until they perform at the show. Then we will announce for a parent to come down and pick them up on the side to sit with them until the end of the show. We don't want them wandering around or in the gym area without a Just for Kix instructor at anytime.

# What to Expect

## PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the North lot, West lot and the Sides of the street. Since it is a weekend the parking permits are not required for the parking lots.

## ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. If you have a Pre-Sale ticket you can enter the RA Facility Gym via the North doors under the **Pre-Sale Sign**. If you need to purchase a ticket you would enter via the RA Facility North doors under the **Admissions Sign**. Tickets will be \$9 for Adults and \$6 for Students and 5 & under are free at the door. If you need to leave after you have entered, please be sure to have your hand stamped for re-admittance. Those with Multi Show tickets would have the back of the ticket stamped at the first show and given back to you, then at the second show it would be handed in.

Dancers will enter via the South doors into the RA Facility Gym under the Dancer's Only sign.

## SEATING

We will have a full crowd, but there are enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Teeny Kix (3-4yr olds), Pre-Petite (Preschool), and families that have a member unable to climb in the bleachers.

## DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

## AFTER THE SHOW

Our last number will be the finale which encompasses all classes K-12th. Our staff will stay on the gym floor with the K-3rd grade dancers until parents come down onto the floor to pick them up. Older dancers are free to meet their parents in the bleachers after the finale. Make sure to arrange a meeting place prior to dropping your dancer off. Our preschool dancers will sit with their families following their last performance.
