Dancers

Dancers should arrive **30** minutes prior to their show, dressed in their costume with hair done. *See the specifications for each class in this newsletter.

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the upper lot and lower lot. You will be entering through the main entrance near the upper lot.

ADMISSION

Please pay admission before sending your dancer to the staging area.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Tiny Kix (3-6yr olds) and families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience!

AFTER THE SHOW

All dancers will return to the floor for a program picture. Make sure to arrange a meeting place prior to dropping your dancer off. Our preschool dancers will sit with their families following their last performance.
