## *Dancers*

Dancers should arrive by their scheduled time, with their uniform on and hair done. You can find the specifications for each class within this newsletter.

Once dancers are dropped off, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without supervision at any time.

If you (or someone you know) are willing to be a volunteer to sit with your dancer's class, please let me know!

# What to Expect

## **PARKING**

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available by utilizing both the front and back lots.

## **ADMISSION**

Remember to have your pre-sale tickets available to give to the door monitors. Tickets may be purchased the day of the show, but they will be \$2 more per ticket.

## **SEATING**

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Teeny Kix (2-3 yr olds) and families that have a member unable to climb in the bleachers.

## **DURING THE SHOW**

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome and encouraged! When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

## **AFTER THE SHOW**

Our last number will be the finale' which encompasses all classes 2nd-12th. After the finale, we will gather for a group photo, and after that you can meet your dancer on the gym floor! Feel free to stick around and take photos with the backdrops and dance friends! :)
