

BRAINERD JUST FOR KIX WINTER SHOW

SATURDAY, NOVEMBER 25TH 2023

12:00 PM | 2:30 PM | 5:00 PM

Dear Parents, Alumni, Family & Friends...

We welcome you to our annual Just For Kix Holiday Show. If you were not in the HOLIDAY SPIRIT when you came in today, we hope you feel it by the time you leave. What a great time of year to celebrate not only the holidays...but to also CELEBRATE our LOCAL YOUTH and the many talents they will display today! They put their hearts and souls into this show.

This year's show is entitled "Old Fashioned Holiday!" We hope some of the music brings you back to memories of yesteryear. It is so fun to kick off the Holiday Season with our big shows! We hope your hands will be clapping and feet will be stomping.

THANKS to our dancers. Today they will share their passion, teamwork, confidence, power and even jitters. We hope you appreciate every step they take! They have come so far and we are proud to say they DANCE...JUST FOR KIX! They've become a family.

The BWDT "The Kixters" are the Brainerd high school dance teams. It can get confusing as many of us wear two hats and are involved with JFK & BWDT. They are invited guests in today's shows. JFK will donate a large percentage from admissions to the Brainerd High School Teams. These teams compete almost every weekend. They have hotels, food on the road and costumes expenses. Your support is graciously appreciated. By coming to this show, you've already supported them, so thank you! HUGE thanks to their parents for all they do!!

We thank our dance teachers who choreograph all the dances! Just think that every piece of music needs to be cut and every beat of the music choreographed. It is hard work but definitely a labor of love.

Thanks also to our studio staff, sewers, costume fillers, cleaners, and office staff. We are proud that all of our choreography, music editing, designing, T-shirts, and some of the sewing is still done LOCALLY!!! We appreciate each and every person who played a part in this show. Sit back and enjoy the fruits of their labor.

YOU the audience play a big part in the show too. Thank you for staying seated and waiting until intermission to move. The more you cheer, smile and applaud...the better the show goes! It helps fire the dancers up. Thanks for being here today.

Wishing you Holiday Blessings,
Cindy Clough and Ali Geraets
