# MAR-APR NEWSLETTER

Dear Bismarck North families,

As the season nears its end, we are working on polishing the last few routines of the season, and the dancers have improved so much this year! The teams are excited to show off their hard work at their upcoming shows. Remember, a loud cheering section makes it easier and more fun for the dancers! It is truly a pleasure to work with your child each week! Thank you for your continued support.

Coach Annie and Coach MaKenna

**Rosie...** can be reluctant and shy, most of the time. Her first day of class was a little scary. Trying new things isn't always easy, but her coach and all of the other dancers in her class were so welcoming. Now she loves going to dance class each week!

**Tip:**

When someone asks you to do something... act like a bunny and HOP TO IT.

**QUOTE:**

Thanks to dance, I've started saying "I will be able to do that, just give me some time to practice."
