If, for some reason, your dancer cannot attend one or all of our competitions we do understand. We need ALL dancers to fill out the competition form and return to your Coach Kaylee or Coach Stefanie. Teams competing consist of dancers in Just For Kix programs from several different states. These competitive events have proved to be the highlight of the year for many teams. Please keep in mind the goal of these events is to provide our dancers with an opportunity to perform in front of a crowd and share their talents with more people than just those in their community. It also gives our dancers an opportunity to meet other dancers involved in Just For Kix from a number of different communities and we all get the chance to cheer for one another. It is a competition and teams will be awarded places, depending on the size of the category. Categories are determined by the JFK Home Office based on average age and size of the entire team. Every team cannot be in first place. We hope that everyone goes in with the attitude that "Doing your best is more important than being the best!" Sportsmanship must be a priority. We feel that the exposure to other groups will instill a harder work ethic and give dancers something to strive for. This will be a great opportunity for our dancers. I hope you make every effort to participate. We are just so happy to have the opportunity to compete this dance season! :)

Code of Conduct

As a representative of the Just For Kix class in our community, you are expected to act in a fashion that is becoming to your team. Please remember the actions of a few can make or break the team. Strive for an "ALL AMERICAN" clean cut look. If you are out of the dressing area, your uniform should be completely on and zipped up. Remember that although we are striving to do our best, sportsmanship is the top priority. Your actions should be such that we would be PROUD to have you as a member of our group. Keep in mind that participation in Together We Dance is a privilege.
