Dancers

Dancers should arrive by their schedule rehearsal time, with their uniform on and hair done. You can find the specifications for each class within this newsletter.

Once Dancers are dropped off, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without supervision.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available by utilizing both the front and back lots. Both the District and High School doors will be unlocked for entry.

ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. Admission may also be paid the day of the show, but prices will be \$2 more than the pre-sale prices.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Teeny Kix (2-3 yr olds) and families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome and encouraged! When you see something you like while a team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the finale which features dancers in 2nd-12th grades. After the finale routine, we will gather for a group photo, and after that you can meet your dancer on the gym floor! Feel free to stick around and take photos with the backdrops and dance friends! :)
