**A few things to help picture day run "smooth":**

- Fill out order envelopes in advance and have them ready to go
- Have dancers ready when they arrive- hair and make up can be done however you would like but we ask dancers look "nice"
- If you are not ordering pictures- please have your dancer still attend in full uniform with hair/makeup done. (This way they are in the team photo)
- If you know you will be absent from pictures- please let your instructor know so we are not waiting for you on photo day
- We will wait 5 minutes into arrival time prior to taking our team photo
- Once pictures are done- dancers are free to leave
- We do not allow parents in the studio on picture day- we will make sure they look nice and do our best to get them to smile :)
- There are no regular practices during picture week as we use both studios for set up
