Just For Kix dance programs emphasize teamwork and collaborative learning. One of the highlights of the year is the much-anticipated competitive event known as TOGETHER WE DANCE.

This event unites Just For Kix dancers, fostering their growth as performers and offering a platform for each program to display their dedication and talents. Celebrating all Just For Kix teams in a grand performance venue ensures a high-quality experience for both the performers and the audience!

Teams participating in the Just For Kix programs come from all over the region. These competitive events have become the highlight of the year for many groups. It's important to remember that the purpose of these events is to give our dancers a chance to perform in front of a large audience, showcasing their talents beyond just their local community. Additionally, this experience allows our dancers to connect with fellow dancers from various communities involved in Just For Kix, fostering a spirit of encouragement for one another.

Teams will be awarded placements based on the size of their category, which is determined by the JFK Home Office according to the average age and overall team size. Since not every team can take first place, we encourage everyone to adopt the mindset that “doing your best is more important than being the best!” Emphasizing sportsmanship is crucial. We believe that exposure to different groups will cultivate a stronger work ethic and inspire our dancers to reach for new goals. This presents a wonderful opportunity for our dancers, and we hope everyone makes a concerted effort to participate.

We are sharing the event dates now so you can mark them on your calendars. Full team attendance is essential. If, for any reason, your dancer cannot attend, a written note must be provided to your Coach by November 15, 2024. Please understand that if your dancer is unable to join, formation changes will be necessary, and your dancer may need to practice outside of formation in the weeks leading up to the event as the team prepares.
