

Together We Dance Competitions

What is a TWD?

TWD stands for Together We Dance. These are competitions in which we enter our teams in. Dancers will attend and represent our Owatonna JFK Studio. If your dancer is unable to attend a competition please let Victoria know ASAP as we will need to renumber our routine. Competitions provide such a great learning experience for our dancers!

Sportsmanship

Parents and dancers, please keep in mind that people from other towns may be sitting next to you in the stands or even the stalls in the bathroom. Have a positive attitude ALL day, no matter how your team places in their category. Our goal as a studio is to have fun and gain feedback on our routines. In class we will focus a lot on our scoresheets and not necessarily our placement at an event. The dancers will learn valuable life lessons from winning and losing.

2025 Competition fees

Entry fees will be billed to your dance account prior to each competition. Fees must be paid for 1 week prior to the event in order to participate. Dancers will receive wristbands at each event stating they are eligible to compete based off of their competition fee being paid and their average grade/age submitted by us. Dancers without a wristband are not allowed on the competition floor. This is FIRM.

There are NO spectator fees at competitions. Bring as many family and friends as you would like!

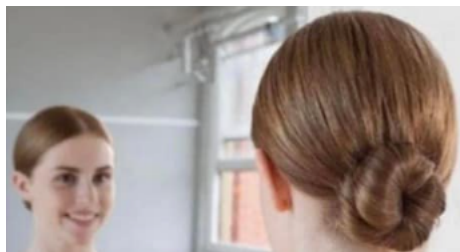

TWD Per Dancer Fee:
\$43 for the 1st routine
\$21 for the 2nd routine
\$12 for the 3rd routine
\$11 for each additional routine

Nationals Per Dancer Fee:
\$49 for the 1st routine
\$22 for the 2nd routine
\$13 for the 3rd routine
\$12 for each additional routine

Competition Hair

All competition classes will wear their hair in a slicked back low bun with a middle part. See picture below. We want hair extremely slicked back using gel and hairspray. No fly aways please. Buns should be secured with bobby pins, hair net (if needed) and hairspray.

- Coaches will NOT do hair at the competition
- Feel free to send gel and hairspray with your dancer. If they get flyaways, we will have them use it.
- Barrettes go on top of the bun horizontally

Competition Makeup

Dancers should wear performance make up. This includes blush and red lipstick. Eyeshadow can be used. Older dancers (7th-12th) can wear false lashes if they choose to do so.

- We will do a lipstick check prior to taking the floor. Please make sure dancer has extra in their bag if needed

Extra Thoughts

- Barrettes and Earrings are the most forgotten item on competition day.
- Tights- dancers should have an extra pair of tights on competition day.
- Barrettes, earrings, and tights are listed on your dance account. You can purchase if needed.
- Make sure undergarments cannot be seen when wearing a uniform. NO bras can be showing. If the uniform has an open back a clear strap or tan bra must be worn.
- No Jewelry can be worn on competition day (except team earrings)

Competition Times

Below are estimated competition times for our first few events. When we get closer to the weekend we will receive final times in which I will send out your dancers arrival time, practice time, performance time, award time and all competition information! Plan on arriving an hour prior to their performance time.

BLOOMINGTON KENNEDY

*Routines in yellow are super close in time and in different locations. I have put in a request to have them split. If it works schedule wise, great. If not, we will run FAST.
