The Ultimate Performance

Performers experience a practice schedule that is carefully designed. Each dancer is sent a link of the choreography about a month in advance, allowing them to come prepared and confident on day one of the tour. Performers are encouraged to come in prepared. Advanced knowledge of the routine is vital to the success of our show.

While on tour, practice time is mainly devoted to learning the field formations and cleaning the choreography with the mass performance ensemble. We are committed to setting the performers up for performance success!

The Just For Kix half-time dancers perform center field and are surrounded by hundreds of marching band members. With live music, the beautiful Raymond James Stadium as a stage, and the ReliaQuest Bowl fans, this is a sure ticket to thrilling performance.

Performers are also featured during the pre-game and will span from 10 yard line to 10 yard line. They cover the whole field.

Raymond James Stadium is a state-of-the-art treasure designed for the 21st century. Fans and performers enjoy theater-style seats with cup holders and unique, festive end zone concourses accented by two large video scoreboards. Escalators lead to extra-wide concourses on all levels.

ENDLESS FUN AWAITS

Did We Mention 7 Days and 6 Nights of Fun?

Our Favorite 11 Letter Word: Fundraising

It's all about the journey...getting there is half the fun!

With a little determination and dedication, you can pay for some (or all!) of your performance tour through fundraising or sponsorships from local organizations. We provide performers with our custom Fundraising Platform, www.simplefundraising.com.

Just For Kix has greeted hundreds of performers over the years who've been supported and encouraged by our insight, tips, and tools on fundraising. Your goal of performing at the ReliaQuest Bowl in Florida WILL happen if you dedicate time and start early!

BEFORE YOU GET STARTED:

Choose the right attitude: "We can make this happen and we WILL. Failure is not an option."

Set goals. Start early enough so you can track your funds weekly, monthly, or quarterly. Always work to exceed goals, not just meet them.

Ignore the obstacles. It's easy to figure out why something won't work. You need to focus and find the ways to **MAKE IT WORK**.

Work smarter, not harder. Don't invest in fundraisers that require a lot of work that actually produce low revenues.

RELIAQUEST BOWL CHOREOGRAPHY

Choreography links will be sent out in the winter. We recommend watching a video of a past ReliaQuest Bowl performance before you learn the choreography so that you can understand the “big picture” and see that there are a lot of things going on. You should be prepared to know all parts.

You will have a much more enjoyable time in Florida if you know the choreography ahead of time.

When learning the choreography, learn it tight and precise. Pay attention to small details such as what shoulder to turn over, if feet are apart or together, which way heads go, etc. When practicing traveling to formations, chins should be held high, and feet should be picked up with each step, like marching.

Q: Does Just For Kix have any information on fundraising?

A: We certainly do! Over the years, hundreds of dancers have paid for their entire tour through fundraising or sponsorships from local organizations. With a little determination and dedication, you can too! The Just For Kix staff is also available for any questions regarding fundraising.

E-mail cindy@justforkix.com.

Q: What is a typical tour schedule like?

A: We're proud of how much we fit into the seven-day trip. It's a strategic blend of performance practices and participant fun and free time. Nonetheless, the heart of the tour is Performance Day and we never fail to provide a first-rate show. The pre-game and half-time performances are key to the overall tour experience. We offer a different theme every year, so those performers returning get a new challenge.

Q: What are the dancer ages?

A: There are two age divisions:

- 2nd grade - 5th will dance in halftime show. For pre-game, we will continue to give the younger dancers the option to perform. If they come knowing the routine, they can perform.
- 6th grade and up will dance in the pregame and halftime shows.

Q: What do I need to bring?

A: The dress for the tour is mostly casual, with the exception of the Dinner Cruise. Florida weather could be warm and sunny, or cool. Bring shorts, but be prepared for anything, as evenings can be chilly. We practice outdoors, so bring comfortable practice wear. If it is raining, we will still practice outside on a grass football field. Pack accordingly! Don't forget your swimsuit! A more detailed checklist will be included in a follow-up mailing including items each dancer will need to accompany with their costume.

Q: Can I choose my roommates?

A: Yes! The package price is based on quad occupancy rates. You will submit your roommate request when you register. To qualify for a quad occupancy room, you must be rooming with four people or willing to share the room with other people. If there are three in a room together, you must choose the triple occupancy, as we are unable to place a fourth person in your room. Double & Triple occupancy is a room with a king bed. If you are needing to make other arrangements for a double occupancy, please contact amanda@justforkix.com.

Q: How do I get sign up for the New Year's Eve Talent Show?

A: Any performer can participate! It's a very supportive environment. In past years, we have had jazz team ensembles, singing, tap, monologue, and gymnastics. The routine limit is two minutes (unless pre-approved longer for team performances). E-mail cindy@justforkix.com if you are interested or for more information.

Q: Breakfast, Lunch & Dinner! What is and is not included?

A: Tour participants will receive 5 breakfasts, 2 lunches and 1 dinner over the course of the 7-day tour. Performers will also receive snacks on game day.

Q: How does airfare work?

A: Airfare must be purchased separately. We encourage you to book airfare as a group with a travel agent. Check into this as soon as possible since airfare costs can increase at anytime. You may also check into staying an extra night (as an upgrade and flying in the day before as airfare may be significantly lower and a flight more easily accessible. Arriving earlier will get your tour off to a better start! We recommend assigning one person per team/group to coordinate airfare and contact the Travel Agency rather than each individual parent.

Q: Is there a shuttle service available?

A: Yes! Shuttle service is provided to/from Tampa International Airport (TPA) from 6:00am - 11:00pm only. That is the only airport that shuttle service is provided with your tour package price. Outside the time limit or transportation from other airports will need to be arranged on your own (except those using Bursch Travel, they will help arrange any transfers from outside of TPA at an additional cost).

Q: Do I need to provide a hotel deposit?

A: Yes. A deposit or credit card must be left at the hotel front desk upon arrival for incidental charges such as room service, telephone calls, etc. You must pay for these extra services prior to checking out of the hotel.

Q: Can I extend my stay?

A: Absolutely. If you experience difficulty traveling, you may opt to stay an extra night at your own expense. This needs to be booked through Just For Kix, contact amanda@justforkix.com. Fill out the "Extra Night Stay" form. Please only submit one form per room, rather than every roommate. Some members arrive early due to a less expensive flight. The hotel can accommodate that too.

Q: What is the Reliaquest Bowl Performance Tour refund policy?

A: The first \$500.00 deposit is NON-REFUNDABLE. There are **NO refunds available after October 1st**. Please note these dates and policies when completing your forms.

Q: Can I get additional tickets for tour events?

A: Extra tickets for those events should be purchased on your own at the gate (Disney, Universal & Busch) and you can order the game tickets on Ticketmaster once the teams are announced. Unfortunately with the high number of participants in the tour, we can not sell extra tickets to the Dinner Cruise or Dinner Banquet due to space.
