STUDIO POLICIES

Cancelled/Make Up Classes

We guarantee 36 practices in a dance season for all full season classes (32 practices for classes beginning in September). We usually OVER schedule our season to account for any unexpected cancellations. Please make your dancers attendance in their classes a priority as their team counts on them!

If a dancer misses a class and would like to make it up, they may attend a similar dance class within the following 2 weeks of the missed class. No credits or refunds will be given for dancers missing classes. Cancelled classes will be made up if needed to hit our 32 or 36 practice guarantee.

Any 2nd-12th grade dancer missing choreography will need to watch videos on their class BAND to catch up before the next class.

Another great option to make up missed choreography is to sign up and schedule a private lesson with your Coach!

Lobby Etiquette/ Class Rules

Dancers 6 years old and younger must be supervised by a parent while in the lobby at all times.

Parents of dancers in 1st grade and younger *must* bring their dancer upstairs to class each week.

Parents of PreK and younger dancers *must* wait in the lobby during their dancers class.

Please help keep our lobby clean! Pick up the color table after use and notify a Coach promptly of any spills.

All company of dancers may wait in the lobby during class time. Your Coach will invite all in to watch the last few minutes of each class. This provides our dancers a no distraction environment and we've found its most beneficial in dancer development.

Dancers may not be in a Studio if not in dance class. Studio tours are available by request for new dance families.

Dancers must be dressed appropriately for all dance and acro classes. A dress code is required for competition classes. See class bands for details on dress codes.

Uniform Returns/Exchanges

If your uniform or shoes don't fit:

- 1. RETURN FOR A REFUND/ORDER NEW SIZE RIGHT AWAY:** This is recommended for you to receive your new item sooner! If you would like the Studio to return your items to the home office, we will do this if you are RETURNING ONLY - Coaches will assume you've ordered the new piece. **Please fill the back of the invoice out in full and follow the instructions to get the RMA# (selecting return for a refund, new size ordered) before handing over to a Coach.** We will be sending boxes back for returns periodically throughout the season - usually near performances or when a box is full for shipment. You will receive your refund when that shipment is received and processed by the home office.
- 2. EXCHANGE FOR A NEW SIZE:** **Exchanges can take up to 2 or 3 weeks.** If you choose to exchange your item, you will need to fill out the back of the invoice in full and get the RMA# (selecting exchange and choosing the new size). You will then need to send back yourself using the address listed on the back of the invoice. Send your items back in a timely manner to ensure you receive your new piece in time for any performances or competitions.

PROGRAM
BAND

Some months have less practices and some have more. Will my Monthly Fee change?

Our dance season is 36 practices (32 for classes beginning in September) GUARANTEED (no matter if there's 2 practices in a month or 10). These 36 practices are split in 9 EQUAL monthly payments August through April, no MAY Payment for full season classes even though we end 3 weeks into May!

Are there any registration deadlines?

Not necessarily - registering early for your classes helps us TREMENDOUSLY in planning. On the back end of each class is hiring a Coach/Assistant Coach, choosing choreography best for that class, lesson planning, etc. If you're waiting until the last minute to register, we may have already adjusted our schedule, combined ages, made changes to better fit those registered and better suit our Coaches schedules. DON'T WAIT! It's best to register AT MINIMUM, a week before that class begins - but the earlier you can register, the better!

FAQs:

Can I have my dancer try a different style before signing up?

YES - if that style is new to your dancer, absolutely they can try a class before signing up. I recommend trying at least a month of a new style. Or try a special session of that style.

How long do uniforms take to come in?

It depends. Uniforms that were ordered before June are coming in quick! Orders made after that are batched in uniform groups by uniform type. Example: Uniform A is being produced and shipped out so all orders made before that happened, will be fulfilled. All orders made after, will be fulfilled with the next batch. Most of our uniforms will be coming in October/November. Shoes are a 1-2 week turn around so order those right away so your dancer can practice in them! With our Winter Show in December or January, we have plenty of time for any returns or exchanges.

When are uniform orders due and how do I do that?

Can a Coach help me?

Uniform orders are due **September 15th**. All the step by step info for ordering uniforms can be found in the Hastings Just For Kix 2024-25 Info packet. You can also find this on our website under Newsletters. Any Coach is happy to help you size your dancer. We'll follow the size guides provided to you on our website and on our program Band.

Are there any cancellation fees?

NO - we do not penalize for cancelling your registration, whether it was your decision or we had to cancel a class. The only fee that is non-refundable is the registration fee. The registration fee (\$22) is an annual fee billed each summer. It is good for all classes in the current season.
