

Hello,

Happy April! I hope you enjoyed your time with family and friends last week during spring break. Please read through the below studio updates and let us know if you have any questions.

Picture Week: **Picture week is next week April 8th-11th.** Diane Skala Photography will be taking our photos again this year! Envelopes will be passed out this week in class. If your dancer is absent this week, please print and fill out the below order forms.

A few things to help picture day run "smooth":

- Fill out order envelopes in advance and have them ready to go
- Have dancers ready when they arrive- hair and make up can be done however you would like but we ask dancers look "nice"
- If you are not ordering pictures- please have your dancer still attend in full uniform with hair/makeup done. (This way they are in the team photo)
- If you know you will be absent from pictures- please let your instructor know so we are not waiting for you on photo day
- We will wait 5 minutes into arrival time prior to taking our team photo
- Once pictures are done- dancers are free to leave
- We do not allow parents in the studio on picture day- we will make sure they look nice and do our best to get them to smile :)
- There are no regular practices during picture week as we use both studios for set up

Special Sessions: Our spring recital special session schedule will be out soon! Father/Dancer, dance with me and big sis/little sis. I am waiting on my April appointment schedule prior to setting dates.

Spring Recital: Saturday, May 18th at the Four Seasons. More info to come!

Apple Valley Competition (comp teams only): Estimated competition times for this weekend were sent out a while ago. [Click Here](#) to view. The final schedule will be sent out soon! Please make sure competition fees are paid ASAP.

Have a great week!
