SIBLINGS participating in the Just For Sibs class - please read the following and let me know if you have any questions:

Sibs Practice on Show Day - We are going to practice this class VERY FIRST on Show Day, right at 12:50pm. Siblings do not need to be dressed for the show yet at this time, if you'd prefer not. We will do the routine two times. After that, we will mark sibling's hands so they get into the show for free, and then we will need parents to pick them up! They will be escorted by staff to cafeteria (where you entered) to be picked up. They need to be back to line up in the Cafeteria at 2:40pm, when the doors open for spectators.

Sibs Pick Up After each Performance - Once the routine is finished, I am going to have all regular JFK dancers exit into the cafeteria so that they can get right to changing costumes for their next routine (if your dancer is small and needs help with this, you will need to come out of the stands to help them). At that point, all partners who are not full season JFK dancers will stay in the gym and parents need to come down to the **gym floor** to pick them up so they can watch the rest of the show with you. **Please do not go into the cafeteria, unless you are helping kiddos change costumes.** After helping them change, parents cannot stay in the cafeteria; that area is dancers and staff ONLY during the show. Partners who are in 4th grade and older are able to go into the stands to meet parents on their own after the performance; partners who are 3rd grade and younger will need to stay on the floor with me until a parent comes down to pick them up.

Sibs Line Up Time for the Second Show - Dancers and Partners need to come to the cafeteria to line up for the second show at 5:40pm. Pick up after the performance will be the same for the second show!

Please let me know if you have any questions!

Show Line Ups: Please see the show programs that have been attached to this email. Recognition of the Graduating Seniors will take place before the Mass Routine at the 6:00pm show only!

Costume Changes: If your dancer is small and needs help with changing costumes, we will need to ask a parent to come out of the stands to help them. **After helping them change, parents cannot stay in the cafeteria; that area is dancers and staff ONLY during the show.** Last year, the cafeteria became far too congested and noisy with extra people out there during the show. If you are not watching the show, please plan to find another location to wait!
