Dancers

- Dancers should arrive at the time listed on the back of this newsletter, dressed in their costumes with hair done.
- Each class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.
- Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available!

ADMISSION

Admission will be taken at the door; however, multi-show passes will be available to purchase the week of the show at class only for \$10 for adults and \$6 for students. Again, this gets you into both shows for a discounted rate and can ONLY be purchased at class on January 9th and 10th. If you have multi-show passes please turn them in at the admission table. Multi-show passes can only be purchased prior to the show - if you decide to attend both shows without purchasing the pass early, you will be required to pay full price. We will also have roses and tshirts for sale. Cash or check only - no credit cards. Please avoid paying with \$100 bills if possible, as it greatly depletes our supply of change. The gym doors will open for spectators 30 minutes prior to each show. Spectators will NOT be able to reserve their seats prior to this time. Please let Jess or a staff member know if you have a handicap family member so we may be accommodating.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for the elderly and handicapped/families that have a member unable to climb up the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience!

AFTER THE SHOW

Following our last performance, our staff will stay on the gym floor with the K-3rd grade dancers until parents come down onto the floor to pick them up. Older dancers are free to meet their parents in the bleachers after the finale. Make sure to arrange a meeting place prior to dropping your dancer off. Our preschool dancers will sit with their families following their last performance.
