

COSTUME ORDERS AND SIZING

We are really trying to cut down on the number of costume and shoe returns.

Please don't guess on sizing.

I know our return policy is fairly easy for families, but it can be a very lengthy process, especially the first 6-8 weeks of the season. If you have any questions, please call!!

1. Base Costume – should fit like a swim suit
 - a. Start by trying on their costume from this year and see
 - i. Does it still fit?
 - ii. Do they need more room?
 - iii. Adjust accordingly
 - b. Grades PreK-1 (next year) we typically recommend going up one size from regular street clothing size
 - c. Grades 2-12 we typically recommend using same size as regular street clothing size
 - d. Hip Hop Tops: same size as street wear (these will run big)
2. Black Leggings for kick/hip hop – order regular street wear size
3. Shorts – order same size as street wear size
4. Tights - If your dancer is at the top of the size bracket, please go up to the next size.
 - a. Youth options are: 2/6 or 8/12
 - b. Adult options are: S/M or L/XL
