Monthly/Upcoming News:

All our Tiny Kix dancers will be finishing their third dance routine of the season. We aren't done yet... This month, they will start learning a fourth dance routine. The routine they are currently working on will be performed in the JFK Community Show and the Spring Show. The fourth routine, will be performed in the Spring Show.

The JFK Community Show will be so much fun for our dancers. This show will be on Sunday, February 19th at White Bear Lake High School, South Campus. There will be over 10 JFK programs dancing in this show. Our dancers will get to perform for a huge crowd and if they want, they can watch a lot of other groups dance. At this time, I am still waiting for a schedule for this show. As soon as I have it, I will provide everyone with that information. This nice thing about this show is it is split into several 50-55 minutes shows so dancers won't need to be there for very long. We will need a few parents to help the instructors with the dancers. With so many programs involved in this show, there will be a lot of dancers and of course, safety is first and we need help keep track of all the dancers.

HAPPY VALENTINE'S DAY!!!!
