Dancers

Dancers should arrive **30** minutes prior to their show, dressed in their costume with hair done. *See back of newsletter

Each Class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around without their instructor at anytime.

When your dancer is done performing, he/she will be escorted to the back of the auditorium where you can pick them up to watch remainder of show. We ask that we do this quickly so as to not interrupt active performances. Each show is 45 minutes in length. We ask that you watch the entire show to support all JFK dancers.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the admin and student parking lots. Please watch for little ones as you enter and exit.

ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. You can enter the auditorium via the main entrance doors.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Balcony seating is also available. The far left seats will be reserved for dancers watching the shows and will be marked accordingly. The front four rows will be blocked for JFK instructors.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

We will be hosting three shows this year! We ask that after the show photos are taken out in the main entrance area, so auditorium can be cleared for the next show. Please pick up any trash as you leave as this will also help us out :) Teamwork makes the Dreamwork!!!
