### Monthly/Upcoming News:

December is a BUSY month all around! We look forward to your dancer showing all her hard work this month at our Winter show!

1. Father/Daughter session starts this month! It is a great way for your dancer and a significant male in her life to create memories (dad, grandpa, uncle, etc.). 12/1 615-645PM, 12/8 615-645, 12/10 9-10AM all at the studio. Register online.

2. Winter Show, December 11th 2:00 and 4:30 at Century High School. Check the show newsletter for specifics.

\*Winter Show rehearsal is 12/10 from 11:15-12:15PM at the JFK studio.

\*All class fees must be paid in full to participate in Winter Show.

\*For many dancers this is their first time performing in front of a large crowd. Trust me when I say anything can happen - we as staff are just pleased to see our dancers try and give it all they got! Please just encourage your dancer to do their best and have fun! During her performance -- If she just stands there it is ok, if she cries it is ok, if she sits on the ground it is ok...again we get to cherish them each week and each dancer offers something great :)

3. Week of 12/14: December Tu Tu Tots awards. Dancers will show their new skills and earn their December certificate of completion - 10 minutes prior to end of class. This is also Pajama Jam week - dancers can come in Pajamas to dance class :)

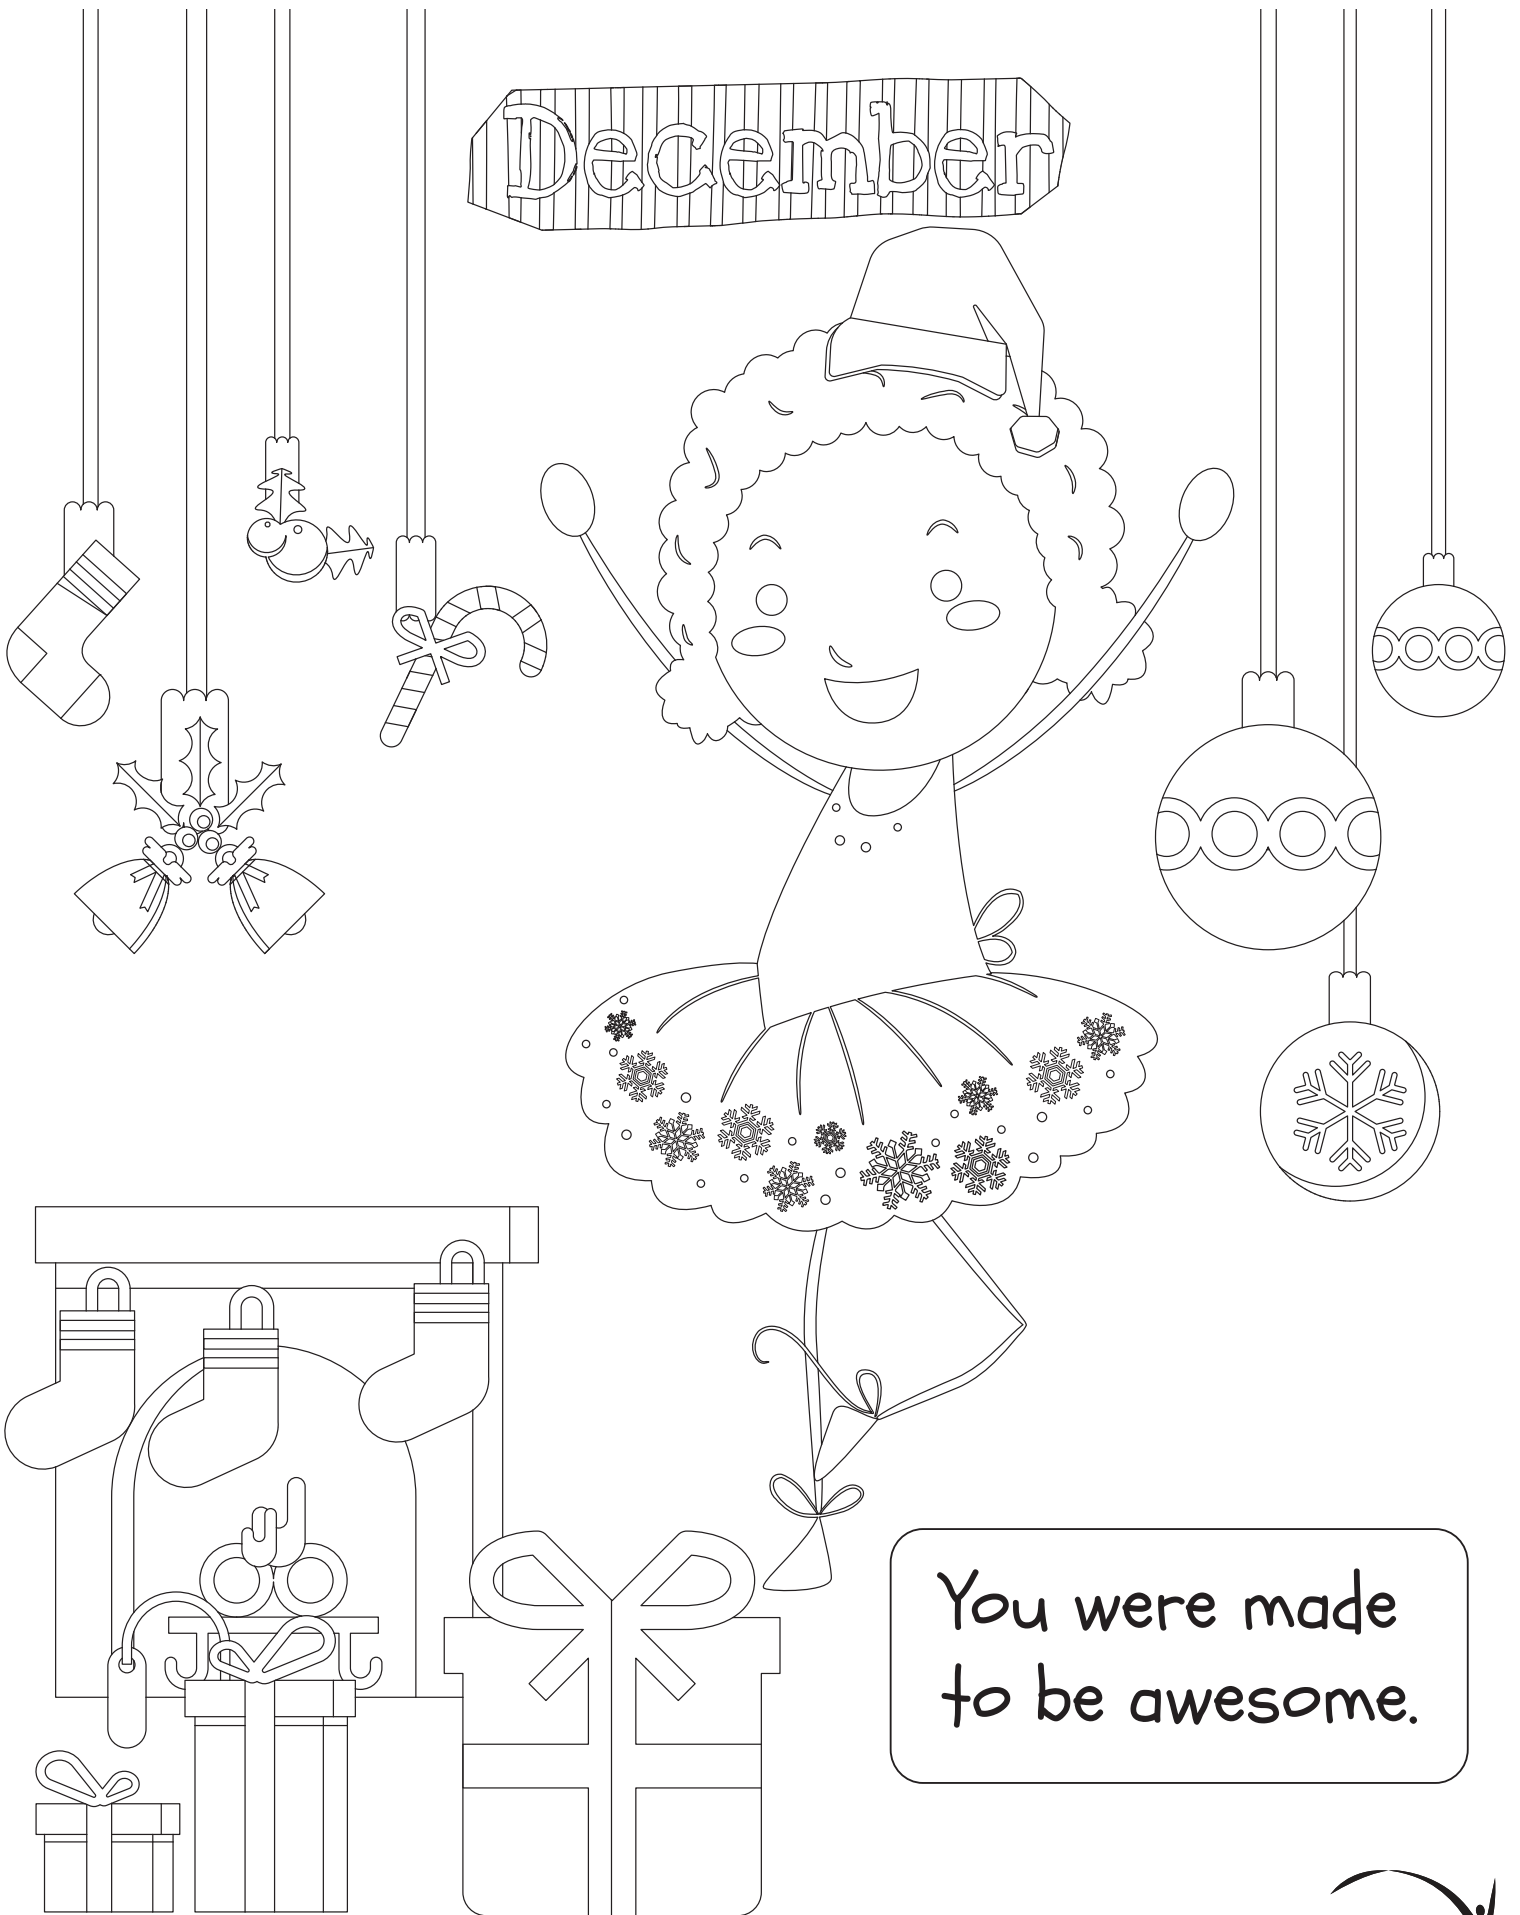

Upcoming:

\*Winter Break - no classes 12/23-1/2. Monday make up class will be held same times on Friday the 6th of January.

Our dreams can come true if we  
have the courage to pursue them.

You were made  
to be awesome.

Caution: Do not use markers that will bleed through.  
\* This is also online on your home town JFK web-site.
