NORTHFIELD JUST FOR KIX

DECEMBER NOTES

Can you believe it's already December? You know what they say - time flies when you're having fun! Classes have been going very well, and our dancers are working hard week after week! We are so proud of them! This has been a great season so far, and we can't wait to see where the rest of the year takes us!

NEED TO KNOW

Early is on time - on time is late. Just For Kix teams start on time! Please put forth your best effort to come prepared and ready to dance! Every dancer is needed from COUNT ONE to make a true practice or performance effective.

CLASS ATTIRE

Please check the WHAT TO WEAR document on our website and in BAND. We need dancers to be in clothing that allows for a wide range of movement. No jewelry, gum, etc. Hair needs to be pulled back into a low bun (required for competition dancers) or ponytail.

STAY INFORMED

BAND APP

BAND is our PRIMARY SOURCE of communication. Here you will find reminders, weather cancellations, newsletters and ALL important Northfield JFK things you'll need to know throughout the season!

ATTENDANCE

Please make practices and performances a priority - your team depends on you! If you have to miss practice, please meet with a friend or watch the practice videos in BAND to get caught up before the next class.

SUPERVISION

Dancers are supervised during their scheduled class time. There are multiple classes scheduled back-to-back, and we are not able to supervise children before or after class. Please do not drop dancers off any more than 5 minutes later, and please be there to pick them up when class is finished. Their safety is our biggest priority, and we want to make sure that no dancers are left unsupervised.

WEBSITE

You will also be able to find newsletters, performance information and more at our website:

EMAIL

We will occasionally send out emails throughout the season. Please make sure we have your most current email address on file in your dancer's account. If you aren't receiving emails, check your promotions, junk mail or spam folders as they sometimes end up there.
