Sept-Oct 2017 News:

Welcome to the start of a great year! We are thrilled to have your child in one of our preschool dance classes!

You need to know that we understand the tremendous trust you have placed in us in caring for your young children. We will make them feel loved, wipe their tears, tie their shoes and help them in any way possible. We're here to teach them dance but more importantly, we're here to provide a fun and safe environment for them to grow their personalities, confidence, social skills, coordination and so much more! I'll be the head instructor for all preschool classes this year which is really fun for me! This age group holds a special place in my heart and these classes can be the most exhausting and exhilarating ones of the week! I work hard to keep the class pace moving fast with a wide variety of activities so that the dancers are having so much fun they don't even realize they're working hard and learning! My other job is in education and I have an Elementary teaching degree as well as an Early Childhood degree, so I love to incorporate everything I know about the development of the young child in my preschool dance classes. Your dancer will be working through the JFK TuTu Tots curriculum of dance/coordination skills this year and I'll supplement that with numerous activities that build vocabulary and other academic skills as well. We have an exciting year ahead of us! Don't hesitate to contact me with any questions or concerns!

Important Dates:

September 18 and 19 - Bring a Friend Night!

Your child will receive a postcard the week prior that he/she can give to a friend as an invitation to a free class on the 18th or 19th. Your child can bring a friend along to class (of about the same age - at least 3 years old) and will get to dance with that buddy side-by-side through all of the activities.

September 26 - Uniform orders due!

All uniform items must be ordered by this date to ensure that they arrive in time for the Winter Show. Earlier is better though, as even this date is pushing it a little bit!

October 23 and 24 - Wear your Halloween Show costume to class!

You'll receive a note in late September regarding your child's requested costume for the Halloween Show. It will be something inexpensive and easy to assemble. Please come to your regular class on the 23rd or 24th in full costume as a trial run for the show.

October 29 - Just For Kix Halloween Show!

This will be an afternoon show at the Lake Region State College Gymnasium. It will be a small time commitment for your family - about 1.5 hours. More details will be communicated closer to the date.

QUOTE:
Our dance teacher says...
You get what you get and you don't throw a fit.

Desiree... is a determined and confident girl. She always comes to class ready to learn. Desiree is a hard worker and loves to perform the routines and skills she learns in class.

Abigail.. gets a little ambitious and boistrous at times. Especially when she gets to go to dance class! She looks forward to seeing all of her friends and doing something that she loves to do, dancing and working on her dance moves.
