

**SDS COMPETITION
EASTVIEW
SUNDAY, MARCH 9TH**

Competition Location:

Eastview High School- Theater
6200 140th St W
Apple Valley, MN 55124

Music Check: It is dancers responsibly to check their music on the iPads prior to their performance. I recommend doing this right away when they arrive. If music is not correct, it is important for them to notify the chute staff member ASAP.

Practice Space: Dancers can use the hallways to stretch/practice. There is no official practice location for SDS. Dancers are responsible for warming up, stretching, and running through routines on their own.

Awards: If your dancer will not be present for awards please find a SDS dancer to attend in their place.
