

FAMILY NIGHT

Monday, February 23, 2026, is Family Night!! This is one of my favorite practice nights! This gives parents an idea of what goes on during classes. It's so much fun! I can't wait to see everybody.

Bring one family member to class.

They will take your class with you and do everything you do. Across the floors, stretching, learning the routine, etc.

Family Member Examples: Mom, Dad, Grandma, Grandpa, Aunt, Uncle, Sister, Brother

I think this will be a super fun evening of seeing what a “typical dance night” is like for your dancer.
