

Grand Island Competition Information

March 16th, 2024

This is where competition will be held:

Grand Island Senior High School, in the West Gym

2124 N Lafayette Ave.

Grand Island, NE 68803

Grand Island Competition Doors Open: 7:00AM. Competition begins at 8:00am and concludes around 5:15pm.

Spectator Admission: There is no admission for this event... :)

****Please Note:** All teams will be meeting in the East Gym and no food or drink will be allowed in this area. There will be signs to lead everyone in the right direction... :)

All Sioux City dancers will NEED to arrive at Grand Island Senior High at the specified time below, on that Saturday morning. PLEASE DO NOT BE LATE!!! If you are in more than one dance, make sure you bring all your costumes with you. We will have somewhere for you to change. We will be in that same locker room #2 where we have been in the past to change.

The morning of competition you will need to slick your hair back in a low bun with middle part for all 2nd-12th graders, with a bun builder by yourself. We are going for a "wet" Look. Use Lots of gel and hairspray. If you have a hair piece or flower make sure it is bobby pinned in. You will do all of your make-up on your own BEFORE you arrive at the school. Below are the times you will need to be at the high school for practice on the morning of March 16th....

-Seniors, Juniors, and Middles (12 teams)- 6:30am

-Minis and Wees (8 teams) - 7:00am

Here are a few other bit of information pertaining to competition:

1. Please cheer loud for our dancers!!!! Dance is an interactive experience and the louder you cheer the better our dancers do. The dancers feed off the crowd's energy so please cheer loud!! :)
2. We are going to compete and to do our best. We love the slogan " Doing your best is more important than being the best". Please understand we might not always be placed at 1st or 2nd or 3rd but if our dancers go out on the competition floor and do their best that is all we ask.... :) We are proud of them no matter what!!! We also want our Sioux City group to show good sportsmanship so our dancers will be showing that and we hope parents will as well... :) Make our Sioux City program proud.. :)
3. Once you arrive at the competition on Saturday at the specified time for your dancer, they will stay with us until they compete. We recommend having your dancer eat prior to arrival or have snacks in their bag as they will not have time to leave to eat. Once they compete then we will wait for awards, do awards, and then we ask you to come out of the stands and get your dancer. We will try to do a quick team picture in between but we have to make it quick as we don't want to hold up the competition and want to stick to the schedule... :) If your dancer competes multiple times in different divisions, we will help them get changed and ready for the next routines and then they will stay with our group again. They will only go with you when they are done for the day... :) You also don't have to stay for the whole day. Once your dancer is done competing and with awards you are free to leave.

4. Why does my dancer have to be there so early if they don't compete until later in the day? Your dancer has to be at the competition at the specified time on the sheet, as we need to do a quick run through of their routine (as we won't have time to practice throughout the day), and then we want them to sit with the team and watch the 1st few teams go so they can get the feel of competition. We feel this really does help. If your dancer is late please do understand they will not get their wrist band and they will not be able to compete. We have 21 teams competing at Grand Island so it will be busy enough for my assistant and myself. We need dancers there at their specified time. Thank you for understanding.
