## Show FAQ:

Q: Why do we have to pay admission to attend the show?

A: Admission goes towards paying to rent the facility, paying our JFK staff for their time, and for decorations! Show prices are determined by JFK corporate. PRESALE TICKETS ARE HIGHLY ENCOURAGED!

Q: Can I enter the gym before the show to save spots?

A: Seating is first come first serve. We are lucky to have a large gym with bleacher seating - there really isn't a bad seat in the house! If you are in need of handicap seating we can arrange that for you.

## What Should my Dancer Wear?

Dancers should wear their own Halloween costume for this show! Please leave costume accessories (brooms, wands, etc..) at home as we don't want anything lost or broken before Halloween!

Please have dancers wear shorts under their costume if it is a dress!

Dancers may wear their dance shoes or tennis shoes for this performance.
