Uniforms & Details

Dancers should arrive in their Halloween costume or a Halloween-themed outfit of their choosing.

Dancers should arrive in their Halloween costume or a Halloween-themed outfit of their choosing. If their costume has boots or shoes that make dancing difficult, they should wear tennis shoes or their dance shoes. If their costume makes dancing difficult, such that it restricts their movement so much that they cannot kick or perform our dance, please help them choose a different option so they can dance comfortably. Wigs/crowns/masks often fall off while we have had our Halloween performances in the past, so this might be a time to leave those off.

We will have classes to rehearse before the show. Classes will be at the same location as the show: the Garrison High School Gym. The address is 51 5th Ave. NE. There is plenty of parking at the HS parking lot by the gym doors. Enter there and come down the stairs to the gym with your dancer at their rehearsal class time. You are welcome to stay if you wish, but you do not have to. If you choose to stay, I request you do not visit with your friends while you wait so we can use class time productively.

Class Times:

Preschool-Kindergarten-Grade 1--4:30-5:15 PM

Preschool (Tiny Kix): Bring your Tutu Tot Mats and wear your dance shoes or tennis shoes with your costume.

K-1 (Petite Kix): You do NOT need your poms for this performance. Wear your dance shoes or tennis shoes with your costume.

Grade 2-Grade 3-Grade 4-Grade 5-Grade 6--5:15-6:00 PM

Grade 2-3 (Wee Kix): You do NOT need your poms for this performance. Wear your dance shoes or tennis shoes with your costume.

Grade 4-6 (Mini Kix): You do NOT need your poms for this performance. Wear your dance shoes or tennis shoes with your costume.

SHOW STARTS AT 6!

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the parking lot by the GHS gym.

ADMISSION

There is no charge for this performance. You can enter the gym via the south doors and come down the stairs. Please let me know in advance if you will need assistance with the lift due to mobility issues.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one, and much better than the elementary gym where we have been in past years! We ask that the first row floor seats are reserved for families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

LIGHT ROUTINE

Our last number will be a light routine by our Mini Kix, and the gym will be dark for a brief time. Do not take flash photography during this performance as the photos do not turn out with a flash and it disrupts the performance for the rest of the audience as well as the dancers. Please wait until the lights are back on before exiting the gym for safety.

AFTER THE SHOW

If you would like to take photos with any of the decorations or director, you are welcome to do so. Please check your area for items left behind, and clean up from any trash so we continue to be welcomed back to the HS gym facility for our performances! Thank you!
