2023-2024 SEASON

Information

Welcome to Just For Kix! Here is all you need to know for this coming dance season! Be sure to read this through and direct any questions to Director Tori Ibinger - hastings_mn@justforkix.com - 612-770-3764

WHEN/WHERE TO REGISTER: Now! There is no deadline to register. We take registrations all season long! If a class is full, add to the waitlist so we know you need a spot! You can register by creating an account or using your existing account on our class website. Images below demonstrate how to use the website to get registered.

FULL SEASON CLASS COSTS:

Class fees are due the first of each month from August-April with a late fee added on the 10th of each month (per dancer/per class). Classes are the same price all year regardless of how many weeks we meet during each month. At the end of the year, everything evens out so that you pay for and receive a minimum of 36 total practices per full season class.

SPECIAL SESSION CLASS COSTS:

Special sessions differ from full season classes in that they may only run for a number of weeks throughout the season. They are perfect for trying a class for a short period of time and participating in a performance or competition or both! Special Sessions require payment in full at the time of registration. This is a one time fee rather than being spread out over the course of 10 months.

AUTOPAY:

Be sure you check the box for AutoPay (in your account under "Make a Payment/Classes") if you'd like your dance payments to be out of sight, out of mind and PAID each month on the 1st! You'll have to check the box next to each class your dancer is signed up for within your account. This doesn't roll over each year - if you were registered for it last year, check those boxes so you're registered again this year!

LATE PAYMENT POLICY:

Outstanding balances will need to be paid prior to the 10th of each month. After the 10th, the dancer will not be able to participate in classes until paid. All accounts need to be paid in full for dancers to participate in performances.

FEES:

Annual registration fee per dancer: \$20 (renewed beginning of each summer. Acro and Tumbling classes are priced higher each month/session to cover increased insurance, required equipment, and Acrobatic Arts Certifications to teach proper Acro technique.

ADDITIONAL FEES THROUGHOUT THE SEASON:

We try to remain transparent with fees that come up during the season. They may differ for each dancer/each season.

Show Participation Fee/Ticket Fee: This covers the costs of staffing, facility rental and other things needed. You can expect roughly \$20/participation fee OR \$10-15/ticket. Each show will have either a participation fee or tickets.

Show Shirts: For our Winter and Spring Shows, we require a show shirt (\$20 each) for our Core Kick, Firecrackers, Combo Classes and sometimes our Hip Hop classes. Show shirts are a great keepsake for your dancer as well so we recommend ordering anyways! You can order these now through your account under "Merchandise or JFK Gear"

Prop Fees: Some dance routines require a prop, typically no more than \$5 and yours to keep.

Competition Fees: Pre-Comp (K-1st) classes will do 1 competition, 2nd-12th do 3-4. Below are the competition fees from last season. We expect about a 5% increase to these each year with rising costs.

Entry Fees for Regional TWDs 2023

❖ First routine: \$35.00 ❖ 2 routines: \$49.00 ❖ 3 routines: \$58.00 ❖ 4 or more routines: \$58.00 + \$9.00 for each additional routine

Entry Fees for Nationals TWD 2023

❖ First routine: \$39.00 ❖ 2 routines: \$54.00 ❖ 3 routines: \$64.00 ❖ 4 or more routines: \$64.00 + \$9.00 for each additional routine

*****Competitions or Shows are NOT required for taking class. However, we do ask that you communicate this EARLY to your Coach for the benefit of the team.*****

UNIFORM ORDERS

UNIFORM ORDERS: Uniform orders are due September 15th to ensure enough shipping time for our first show and allow enough time for returns if necessary! Please be sure you are sizing your dancer prior to ordering with the provided sizing charts. If you need assistance in sizing, please see our front desk staff or a Coach before or after your class!

TIPS FOR SHOES: When ordering JAZZ and HIP HOP shoes, take their tennis shoe size and order 2 sizes larger! When ordering TURNERS (half soles), use this as your guide. Begin with street shoe. Wide feet go up 1 size. Adult Sizes: S (2-3), M (4-5), L (5.5-6), XL (6.5-7.5), XXL (8-9), 3XL (9.5-10), 4XL (11), 5XL (12).

TIPS FOR UNIFORMS: When ordering, consider how close your child is to the size they fit into. If they are right at a size or in between sizes, **ORDER UP!** Kids will grow, and we'd rather deal with a costume that's too large at first than too small by the end of season.

BUN BUILDERS: Bun builders are donut shaped hair pieces that make the bun appear fuller. Please choose the one that matches your dancers hair color.

EARRINGS: Please choose pierced or clip on earrings depending on your dancer. These are a yearly staple uniform item for our competition classes!

OTHER THINGS TO CONSIDER: When ordering this years uniforms, remember that you still might have things from last year that you can use if they still fit. For example, you can always reuse shoes and tights. Basics may be the same like the tank leotard, black leggings, poms, earrings, etc. Check your past uniform orders and the items listed on your new classes to see if anything is the same.

All items listed as Required are needed for Performances and Dance Pictures

FAQ

Q: Why do different classes have the same costume?

A: If a costume can be used for multiple styles, we do it so that you don't have to buy another (\$\$).

Q: What does "Special Session" mean?

A: Special Sessions are multi-week sessions of a certain style. They are perfect for trying something new or if you only want to dance for a month or two.

Q: What does "Combo" mean?

A: A Combo/Firecracker class such as "Mini Combo" is a combination of Kick and Jazz. They will learn technique, skills and routines in both styles.

Q: What classes do Competition?

A: The K-1st Firecrackers classes are Pre-Comp and will attend one competition during the season. 2nd-12th grade Combo, Pom, Lyrical, and Hip Hop classes will attend 3-4 regional competitions. At these regional competitions, each class has a chance to qualify to compete at Nationals at the end of April. Dancers do NOT have to compete. We do encourage that you give it a shot as it is such a positive, supportive experience!
