## *Dancers*

Dancers should arrive **20** minutes prior to their show, dressed in their costume with hair done. \*See the specifications for each class in this newsletter.

Each Class will first meet in the lobby and will move to the staging area 10 min before show time. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag and they can keep their uniforms in the dressing area next to the stage.

Once dancers are dropped off at their staging area, we ask that they stay with their class until their class performs show is over. All dancers will join parents in the audience after their class performs to enjoy the rest of the show!

# What to Expect

## PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available! Use the High School entrance when arriving.

## ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. Tickets are available at the door too.

## SEATING

We will have a full crowd, but there will be enough seats for everyone! Be ready to come up to the stage when your dancer is finished to have them sit with you for the remainder of the show!

## DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

## AFTER THE SHOW

All classes will join their parents in the audience when they are finished performing to watch the remainder of the show! Our shows will last 15-20min! The stage will be available for pictures after each show for about 20min, then the auditorium will be cleared to prepare for the next show!
