

**Just For Kix of Champlin**  
**Uniform Ordering Information for 2017-2018 Dance Season**

**Uniform/Costume ordering**

For uniforms, the early bird gets the worm. The earlier you order your dancer's uniform, the earlier it will arrive. Our first performance is tentatively set for the beginning of December. This should make you think - wow, I better order it! Uniform orders can take up to 10 weeks to arrive.

**Uniform orders are DUE by September 25, 2017.**

If your dancer is joining us AFTER September 25th, please order your uniform ASAP and Just For Kix will do all they can to get it here in time for our first show. There is no guarantee, however, that it will be here in time (sorry).

**How to order**

If you have a boy dancing with us, please talk directly to our Program Director about ordering. To order your female dancer's uniform items, log into your student account at [classes.justforkix.com](http://classes.justforkix.com), select your dancer's class and then select the items you want. Do this for each class if your dancer is taking more than one class. Check out when you are done. You can always order items at different times (meaning that you can order pieces as you can afford them, if necessary), but be sure to order the uniform-specific items, like the leotard or top, by the due date.

**Uniform Sizing**

Our uniforms for boys are different for girls. If you have a boy dancing with us, please contact our Program Director at [champlin\\_mn@justforkix.com](mailto:champlin_mn@justforkix.com) and she will go over the options for boys.

Our uniforms for girls come in two categories:

- Youth sizes - 4, 6, 6x-7, 8, 10, 12, 14, PreTeen
  - The smallest size we offer is a 4, which fits like a 3T, and then we go to a 6, which fits like a 4-5T or children's 4. If you order a 4 and it is a little big for your dancer, please feel free to have it altered, but please don't change the overall look of the uniform.
  - Once you get to the 6x-7 size, our uniforms run about the same sizing as regular children's clothing, if not a bit smaller. When in doubt, order the bigger size.
- Adult sizes - XS, S, M L, XL, XXL, XXXL
  - Our adult sizes run about the same as Junior's clothing sizes.

Our online ordering system includes a handy sizing guide to help you determine which uniform size to order. We also have a very helpful YouTube video about how to measure your child to get an even better fit here: <https://www.youtube.com/watch?v=Yt5FUEFIWdk>

Our tights sizing is Youth 2/6 or 8/12 and then Adult S/M and L/XL. There is a sizing chart online for ordering tights that includes the height and weight for your dancer. Please use this when ordering tights. Remember to check the size when you get the tights and do not open them unless you plan to keep them - Just For Kix considers tights an undergarment and will not refund or exchange if the packaging has been opened.

**Shoe Sizing**

Try-on shoes will be available at classes for parents to use. This is the best way to determine which size shoes to order. A shoe sizing guide is also available in Forms/Documents.

Ballet shoes for preschool age should be ordered one half to one size larger than the dancer's normal shoe size. The goal is to have about a thumb's width at the toe of the ballet slipper to allow for growth (you can put cotton balls or squared cotton in the toe area if the shoe is a little too floppy for the shoe).

Jazz shoes for K-12th graders should be ordered at the 1-2 sizes larger than street shoe size. For younger dancers, there should be a little room for growth during the season. For older dancers, the goal is to have the jazz shoe fit like a glove. Jazz shoes WILL stretch some, so if they are a little tight at first, that is OK. If your dancer's toes are bent or "scrunched" in any way, the dancer needs a bigger size.

### **Where are the items shipped?**

Any items you order through your student account at [classes.justforkix.com](http://classes.justforkix.com) will be shipped directly to the Program Director and will be given to your dancer at class. Once you get an item, try it on right away and make any exchanges as quickly as possible.

### **Exchanges/Returns**

- Uniforms are fully refundable if not worn or damaged
- Any item can be exchanged for a different size at no extra cost to you
- DO NOT TRY ON bras or tights - they cannot be sent back for exchanges or refunds if the package has been opened. Please check the sizing chart on the back FIRST before opening. If the size you received is incorrect, give it back to me or your instructor for a different size.
- TO EXCHANGE OR RETURN AN ITEM, simply follow the directions on the BACK of the invoice included with your uniform. Please send it back to our home office yourself by following the instructions on the back of the invoice. KEEP any items that fit.
- Our home office actually encourages you, to expedite your exchange even faster, to repurchase the item at the size you need and then accept the refund when your unwanted item arrives at the office.

If you have any questions, please contact our Program Director at [champlin\\_mn@justforkix.com](mailto:champlin_mn@justforkix.com).
