Number Of Classes in a Season:

32 classes are offered. If classes are cancelled we will reschedule those classes as needed.

Class fees are based on 4 classes per month. While some months will meet 3 times (due to holidays or scheduled time off), others will meet 5 times. Often times classes will run over into the last month (May), but you will not pay a monthly fee for that month, basically those classes are absorbed into prior months fees.

Payment Policy:

Payments are due the 1st of each month.

Taking advantage of our convenient Auto Pay option within your account is highly encouraged. This assists in easily processing your monthly payment on the 1st of each month.

Payments received after the 10th of the month are assessed a \$10.00 late fee per month per dancer.

You will also receive email reminders if/when your account shows a balance due. **Dancers are not allowed to participate in class if their account is 3 weeks or more behind.**

There are 4 easy ways to submit payments:
