

Hello Just For Kix Families!

To provide as much convenience as possible, I have assembled a full calendar of what is happening for our dance program until it ends on May 7. I started sending this out in January, and now we are down to our last month + 1 week! It's amazing how fast the year goes by!

Please save this and refer back to it when you need it. I will also post it under "Resources" on our website at <http://tinyurl.com/wblJFK> and it will be called "2016 April-May Event Calendar." You can always ask me, though, too!

If your dancer CANNOT attend a performance or a competition, please let me know as soon as possible, as this affects the rest of the team. We want your dancer to attend his/her classes even if s/he cannot perform or compete.

I hope this list helps you plan out the rest of your spring season. We have a lot going on and hope that your dancer will be able to attend every class and every event s/he is scheduled in!

These dates will be added to our website at <http://tinyurl.com/wbIJFK> as quickly as possible so you can also refer to these dates there. I will add this document to the "Resources" section, as well.

If you have any questions, please do not hesitate to contact me, about this or anything else.

THANK YOU for being a part of Just For Kix!!!

Sincerely Yours,
Laurisa
