

Just For Kix of White Bear Lake
Performance and Competition Information for 2016-2017 Dance Season
Updated 11/21/2016

Performance Dates

Most classes will perform 3-6 times, with competition groups performing in at least 3 shows and 2-3 competitions. Our tap and ballet groups will perform at least twice. We use White Bear Lake School District facilities, so we must wait for confirmation of our requests until after all other school activities are scheduled. For Performances

Depending on your dancer's age, and the type of performance that is taking place, will determine when your dancer should arrive. Take this as the default timing for your dancer to arrive - should special circumstances come up, I will communicate to you if/when your dancer's class should arrive.

- For a performance that takes place in a gym (Winter Show, Spring Show, Metro Show):
 - Kix, jazz, lyrical, and hip hop teams consisting of dancers in 4th-12th grade should arrive 30-45 minutes prior to the start of the show.
 - Teams should find each other and begin warming up, doing some dynamic stretching and rehearsing their routine.
 - If your dancer is in more than one class, s/he should warm up with his/her class of choice and then rehearse with each class at least once.

- Dancers in 2nd-3rd grade should arrive 20-30 minutes prior to the start of the show.
 - One or two parents can stay backstage with this age group.
 - Teams should find each other - if an instructor or assistant is not available, dancers should stay together with the one or two parents mentioned above.
 - Sometimes, older dancers volunteer to “hang out” with the younger groups - if this is the case at any performance, that dancer will stay with the group until they perform, so you are welcome to go and sit in the audience.
 - Dancers should warm-up, do brief stretching and rehearse their routine together as much as possible.
 - An assistant or instructor will run through the routine with the group at least once. If music isn’t available (it sometimes isn’t), the music will be counted or sung. :-)
- Dancers in Preschool through 1st grade should arrive 15-20 minutes prior to the start of the show.
 - One or two parents should stay backstage with EACH group (i.e. 1 from Tiny Kix Monday, 1 from Wee Petites, etc.).
 - Dancers should stay together and can do fun jumping or playing around (please don’t let them sit or drag themselves on the floor) to warm up. Parent volunteers can help with stretching, if they’d like to.
 - Sometimes, older dancers volunteer to “hang out” with the younger groups - if this is the case at any performance, that dancer will stay with the group until they perform, so you are welcome to go and sit in the audience.
 - An assistant or instructor will run through the routine with the group at least once. If music isn’t available (it sometimes isn’t), the music will be counted or sung. :-)

When you arrive, your dancer can remain backstage and you can go and sit in the audience, unless you have volunteered to stay backstage with a younger dance group.

Dancers should come dressed and ready to perform. They should NOT wear their dance shoes outside at all.

- Dancers should arrive in their uniform with clothing to cover it. The clothing should be easily removed (tops with zippers or buttons, baggy pants or shorts).
- Dancers should arrive with their hair pulled back into the particular style needed for their class (many classes wear it the same so the dancer doesn’t have to change it). If your dancer requires a bun, visit our YouTube channel (search for Just For Kix White Bear) and watch the bun tutorial video.
- If your dancer is in more than one class, we will inform you of the show order ahead of time so you know which uniform your dancer should wear first.
- Dancers should bring their shoes in their dance bag (or a special performance bag).
- Make-up is optional, but recommended, even for boys:
 - Young dancers (preschool-3rd grade) should wear a little color on their cheeks, eyes and lips (boys don’t need to wear anything on their eyes unless a parent wants them to).
 - Older dancers (4th-8th grade) should wear more color and define their features; our oldest dancers (9th-12th grade) should wear full performance make-up
 - Makeup should look natural from a distance, but will look heavier up close
 - Eyeliner is a great way to define the eyes - be sure to go all the way around the eye, but on the outside of the lash line
 - Choose a flattering color for the cheeks that goes with the uniform(s) your dancer will wear
 - For lips:
 - Senior Kix, Rising Stars and Starmakers should order the make-up kit that is listed with their uniforms online to their make-up matches:

- Senior Kix and Starmakers - Yofi "Foxy" kit
- Rising Stars - Yofi "Frenchy Pink" kit
- For all other dancers competing, a Lip Stain is better because it will last all day; note that it is difficult to take off after the competition, but it will wear off eventually
 - Choose a darker pinky-purplish color that is flattering on the dancer and goes with the uniform (the color doesn't have to match, but it should be in the same "shade" group - If you choose a redder shade, red shades typically have a blue or orange undertone, so pick the one that matches best to your dancer's uniform)
 - Select a gloss to go over the top that can be reapplied to add shine to your dancer's smile
- Things like foundation and such is completely up to the dancer and her parents - we are going for a natural look
- Our oldest dance teams (Senior Kix, Rising Stars, Starmakers) can elect to wear fake lashes - if so, ALL members must wear them

After your dancer performs, a few things happen, depending on your dancer's age:

- Dancers in Preschool through 3rd grade who are performing once in the show can sit with family (or friends, if you allow this and let your dancer know) once they are done performing.
- Dancers in K-3rd grade who are in more than one routine will need to change.
 - The locker room is available for this - before the show starts, help your dancer find an empty locker to hang uniforms that will be needed later.
 - Once your dancer has performed once and needs to change, your dancer should enter the locker room to change; if assistance is needed, feel free to help.
- Dancers 4th-12th grade are on their own - they usually either go backstage or to the locker room to change for their next performance, or they can sit in the audience with family or team members.

Competition Dates

Just For Kix Together We Dance competitions are for dancers in 4th-12th grade (except for ballet and tap, which do not compete) and any 3rd graders enrolled in Junior Hip Hop. Our dancers will compete in Just For Kix sanctioned competitions ONLY and they will compete only against other Just For Kix groups from other cities and/or states that are of the same age and relative group size. All Just For Kix competitions are fair and fun! Dancers are not judged on costumes or choreography, but on execution, energy and technique - they are judged on HOW they are doing what they are doing. For example, kick routines should be sharp, tight and precise, while lyrical routines flow more but displayed emotion and acting, as well as technique, are important. Each dance style has its own way of being judged.

Competitions are not mandatory, but are highly recommended.

Competition fees are typically \$10 per dancer for their first routine. If they are competing in more than one routine/group, the fee for the second one is typically \$8 and the third is \$6. These fees are subject to change.

These teams are eligible to compete: Mini Kix, Mini Jazz, Mini Hip Hop, Junior Lyrical, Junior Kix, Rising Stars, Junior Hip Hop, Senior Kix, Starmakers, Senior Hip Hop and Senior Lyrical.

We did three competitions last year, and did quite well at all of them. I would like to do three again this year, and some of our groups may do more (our oldest groups are asking to travel more, so they may travel further to attend more competitions).

Here are the tentative dates:

- **February 25 & 26, 2017**

- Eastview High School in Apple Valley
- *We usually request to be just on Saturday, but it gets to be crazy for some of our dancers in multiple classes, so we will request either Saturday or Sunday competition times.*
- *The solo/small group competition will be held on Sunday*
 - *Any dancer wanting to compete with a solo or small group can do so. There are some age restrictions. If your dancer is interested, please contact the Program Director for more information or call the home office at 218-829-7107. The information should also be online sometime in December.*

- **March 12, 2017**

- Apple Valley High School in Apple Valley
- *This competition is the Sunday at the start of White Bear Lake's spring break. We may NOT go to this competition because of that. We did attend this one last year. Feel free to send Laurisa your feedback on this - are you traveling? Could your dancer attend?*

- **April 6, 7, 8 & 9, 2017**

- Rochester Community Technical College in Rochester
- *WBL schools are off on Friday, April 7. We will request that we have NO classes competing on Thursday the 6th.*
- *Senior Showcase is set for FRIDAY this year.*
 - *Think of this as your dancer's "away" sports tournament!*

***Older dancers (7-12th grade) have expressed interest in traveling to competitions that are further away to compete against teams they don't normally see each year. The Together We Dance competition in Brainerd would be an option. We will discuss this at class with our "Senior" aged dancers - if we do go, the dates are Saturday & Sunday, March 25 & 26th in Brainerd, MN. Teams competing would probably be Senior Kix, Starmakers, Rising Stars, Senior Lyrical and Senior Hip Hop.*

If your dancer CANNOT attend a competition, please let me know as soon as possible. We want your dancer to attend his/her classes even if s/he cannot compete.

For Competitions

Dancers should come dressed and ready to compete. They should NOT wear their dance shoes outside at all.

- Dancers will be given an arrival time
 - This arrival time is typically 90 minutes to 2 hours prior to your dancer's competition time.
 - We ask your dancer to get there very early so s/he can become accustomed to the environment, watch some routines, warm up, stretch, rehearse their routine many times and take many breaks.
- Dancers should arrive in their uniform with clothing to cover it. The clothing should be easily removed.
 - If your dancer would prefer to travel in regular clothes, that is fine, but s/he MUST arrive at least 30 minutes earlier than the arrival time given to allow for changing and doing hair.

- Dancers should arrive with their hair pulled back into the particular style needed for their class (many classes wear it the same so the dancer doesn't have to change it). If your dancer requires a bun, visit our YouTube channel (search for Just For Kix White Bear) and watch the bun tutorial video.
 - Again, if your dancer prefers to travel without his/her hair done, s/he must arrive AT LEAST 30 minutes earlier than our assigned arrival time to accommodate this.
- If your dancer is in more than one class, we will inform you of the competition order ahead of time so you know which uniform your dancer should wear first.
- Dancers should bring their shoes in their dance bag (or a special performance bag), and any other uniforms in a garment bag.

We are FORTUNATE to have the opportunity to compete in Just For Kix competitions. ALL DANCERS should portray excellent sportsmanship throughout the entire day, with no negative comments during any events. While we are there, your dancer is representing the White Bear Lake Just For Kix Dance Program, and s/he should behave as such. Any dancer with poor sportsmanship will be asked to leave.

Thank you!

Thank you for registering your dancer in Just For Kix! Your business is treasured by us and we value your dancer, or dancers, so much. Thank you for trusting us with your dancer's dance education and experiences!
