

Hi JFK families,

It's hard to believe our season is half done! With our winter show under our belt, I am excited to see how much the dancers grow in their performance. January will be filled with many basketball performances and I can't wait for the dancers to showcase their gifts to the community. Cheers to what's next in 2026!

  - o More details below
- Let me know ASAP if your dancer cannot attend a performance, so that we have time to adjust formations or partnering if necessary. Last-minute changes are stressful for our young performers.
- Please reach out to me with any questions or concerns!

## **Together We Dance Competition dates confirmed**

**\*\*Let me know ASAP if your dancer has a conflict and will not attend either date. It's easier to plan formations and parts now, rather than make adjustments later. \*\***

We will be competing at one event:

- Saturday, April 18 – Valley City – Grades 2-7
- If you plan to stay overnight, book your hotel early. Hotels fill fast!
  - Grades 2-7 will compete early in the morning.
- Families can expect to be at the venue for roughly 2 hours total.
- I will give you more information when it gets sent to me!
- I highly recommend staying with your dancer after they compete to watch other teams. This is a great learning experience for the dancers and allows them to see what other dancers are doing. The more they are exposed to the sport the more they are able to see the full picture!

Please mark your calendar now. I understand that these dates may not be ideal for all families, but I expect all dancers to participate if possible. Competition registration will open a few weeks before the event – I will let you know when you can login to your account and pay. We will compete against other JFK teams from all over the region. Competitions are a highlight of the year for many dancers. Here are some goals of our competitive events:

1. Motivate dancers to work hard and improve their skills
2. Teach good sportsmanship
3. Allow our dancers to share their talents with more people than just those in their community
4. Allow our dancers to meet other dancers involved in Just For Kix from other communities

## **Communication**

Communication is important to me! Please reach out if you have a question or concern. The best way to reach me is a private chat through BAND. The best time to reach me on Mondays, Tuesdays, and Wednesdays is before 3pm; Thursdays and Fridays anytime works. I do not check my phone while I am teaching, so I will get back to you after 8 pm on class nights or the next day. If you have not joined your dancer's BAND notification group, I can send you an invite. I would love to have every family connected through this handy app!
