MESSAGE FROM THE DIRECTOR

Bethany is in her 13th season as Director of Just For Kix Rochester. She continues to love sharing the joy of dance and teamwork with the Just For Kix program.

The Rochester program has been recognized as a Top 25 program the last nine years with 2022 at #3 in the company.

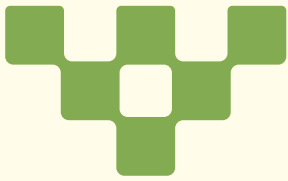

It always amazes me that we are this point in our season! Every year we get to start NEW – new students, new families, new teams, new friends, new routines, new skills, new classes, and more. The NEW is both exciting and at times challenging! This season we focused on creating a CHAMPION mindset. A CHAMPION mindset sees OPPORTUNITY and POSSIBILITY on the easy days and the hard days. Instead of thinking this is hard or impossible, our dancers focused on doing their best and getting better each day. Dancers learned how to be resilient, disciplined, and supportive. The staff and I are so proud of the progress made this season and the CHAMPION MINDSETS created! Thank you for putting your trust in Just For Kix!

TEAMWORK will continue to make the DREAMWORK!

Mission: Changing lives one dancer at a time!

In 2011, there were 67 dancers in our program. Fast forward to 2024 we have now grown to over 700 dancers. Due to our mission we continue to grow and offer an inclusive culture that will impact the lives of our dancers and their families.
