Monthly/Upcoming News:

It's hard to believe we are getting to the last few months of our dance season. Dancers have now started a second routine that they will perform in our spring show on May 7th. Not only will they perform both of these routines in the spring show, they will also learn a small portion of our finale dance. 3 dances all in 1 show!!! Make sure all your friends and family have May 7th on their calendar as it's a great show for them to come watch because these groups will perform more than once!

We will start to challenge these dancers to see how well they have memorized their first routine and see if they are able to do it without teachers. We are usually blown away at how well they know their dance and I have a feeling we will be blown away with all our dancers this year.

It's been great to see their excitement for their monthly TuTuTots certificates. This year was the first year we have done this and I think it has been a great addition to our already awesome classes.

May you be touched by a bit of Irish LUCK today!
