SATURDAY, MARCH 11: Community Show with Alexandria, Parkers Prairie and Wadena JFK programs. (It was a challenge for the 3 programs to find a date that worked...hence the short notification). In order to offer equal opportunities for all of our teams to perform throughout the year, and not over schedule teams, we will have a select number of teams attending. See the list below. The Show will be held at Parkers Prairie High School at 4:00pm. Dancers should arrive dressed in uniform with hair done for performances at 3:30pm. Each team will perform 1-2 routines and have the opportunity to watch the teams from the other two programs. There will be a small admission fee for spectators.
