Hair Bun:

- Buns are required where listed, even for shorter hair lengths. Let me know if you would like details on some tips and tricks for shorter hair lengths. Bun Makers are required for all buns. You can either purchase the one provided on the studio site or you can purchase your own. They should match dancer hair color, medium size, and come in many different styles.
- Helpful Tools for performance hair: hairspray, bobby pins, snap clips to match hair color, fine tooth combs, hair nets, and bun builders. Criss cross bobby pins to secure hair and hold in hairpieces.
