## CLASS PAYMENTS

This is your friendly reminder that class payments are due on the first of every month. Please make those payments before you send your dancer to class. There is a late fee of \$10 per dancer if fees are late. If class fees are not up to date before our show, your dancer cannot participate.

## COMMUNICATION

Make sure you become part of our studio Band App! It is a communication tool we will be using to give important information, pictures, and video! Email will always be our main form of communication, but this App makes it much easier to communicate on the go! Links for individual class bands are in the body of your October Newsletter email.

## **MARCH 18-21**

**We are so excited to have RTamm Photography doing our photos this year! Their staff is wonderful and will answer any questions you have on picture day!**

### **HOW THE DAY WORKS:**

**You will show up about 5-10 minutes before your scheduled time listed on page 4. Since there is more than one group per time slot, whichever class is listed on top is the first class to take their group photo. Please do not be late or you may miss the group photo! Once your group photo is finished, dancers will line up for their individual photo. If you are not the first group listed, you will take your individual photo first, and then your group photo. There will be staff gathering group dancers, so don't worry, we will let you know where you need to be!**

### **FORMS:**

**We will be handing out picture forms in your dancers class in March! Your dancer will need this form on the day of class pictures. This form will give you examples of the picture options available. You will need a form for each costume if you wish to order multiple class photos. These forms will also be available at the front desk before and during picture week. These pictures are cash or check only, so be prepared for that on picture day!**

# 2ND-12TH GRADE

# TOGETHER WE DANCE COMPETITIONS

With the new year comes competition season for 2nd grade and up! These are called "Together We Dance" competitions or TWD's. This is a competition where Just For Kix programs all over the country come and compete with each other! It's such a memorable and exciting event for dancers. Below is what you need to know!

## HOW TWD COMPETITIONS WORK

If your dancer is in a competition class (2nd grade and up), you will automatically be billed for their competitions through their dance account.

If you are unable to make it to a competition, please let us know ASAP, as it affects our teams' formations and practices. We can then take the charge out of your account if you are unable to attend! Once dancers have paid for their competition fees in their account, they will receive a wristband at the competition. Dancers who have not paid will not get a wristband and will not be allowed to take the floor. As each date gets closer, we will send out more detailed information on each event.

## ENTRY FEES

**\$42.00 for first routine**

**\$20.00 for second routine (additional)**

**\$11.00 for third routine (additional)**

**\$10.00 for each additional performance (additional)**

## ENTRY FEES for Rochester Nationals Competition:

**\$47.00 for first routine**

**\$21.00 for second routine (additional)**

**\$12.00 for third routine (additional)**

**\$11.00 for each additional performance (additional)**

## SPECTATORS AT EVENTS

There will be **NO ADMISSION FEES** for spectators at any of the TWD Competitions! At many of the TWDS, they have gone to a no-gate policy. The dancers pay an upfront entry fee. This is something they have gradually started changing over to.

Nationals, Streator, IL, Brandon, SD, Grand Island, NE, have all been that way for several years. All other competition companies orchestrate it this way. Since the COVID pandemic, they have decided to make this change for all of these events. This will eliminate contact with staff at the admission tables.

# TWD TEAM COMPETITIONS

Exact schedules of competition days typically come out 1-2 weeks before a competition.

Some families choose to book a hotel the night before a competition if you did not want to travel on competition day. Schedules for time of day that your dancer is performing do not come out until about 2 weeks prior to the competition. Some make reservations just to be safe. Hotels will also let you drop rooms 24 hours before your reservation.**
