**Bismarck Event Center**

Teams *tentatively* scheduled to perform:

Junior Kix (Mon 8pm class)

Middle Kix (Mon 7pm class)

Middle Jazz (Tue 7pm class)

Mini Jazz (Tue 6pm class)

We will find out about one month before how many games we get, and what day/time they will be.

DANCERS SHOULD ENTER AT DOOR E42 on the west side of the Event Center, off 5<sup>th</sup> Street. Our meeting room is in the Spruce Room.

Parents may enter with their dancer and wait with us to go into the game just at halftime. If you would like to watch the game, please buy a ticket.

**Information from the tournament staff:**

All entertainers must enter the Event Center through DOOR E42. Buses/cars can drive to the north end of Lot B (west side of the Event Center) and drop halftime off at E42. We'll have directions inside that door as to where they need to go (proceed to Spruce Room for practice and changing). Buses and vehicles will not be allowed to park in lot B. Bags and backpacks will be searched as a routine safety precaution. You are admitted free only into the game(s) at which you perform. The hospitality room for halftime entertainment will be in the Spruce Room (by Main Arena). Parking is free in lots C & D.

Please inform your parents of the following:

If you are coming early to bring your performer or equipment, please don't crowd the hallways. Either buy a ticket if you plan to attend the game or remain in the Hallway by the Spruce warm-up room. You will be allowed into the arena to watch the halftime. Please understand that ticket sales provide the revenue to host these tournaments. Please respect the ticket personnel and don't abuse this privilege.

The Event Center is not responsible for any lost or damaged items, so please do not bring anything into the Event Center that you will not be using.
