

Marshall Just for Kix

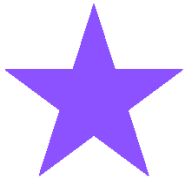

1510 Stadium Drive, Marshall, MN 56258

PARKING - highlighted in yellow

Please use the parking lot highlighted in yellow to park and wait for your dancers.

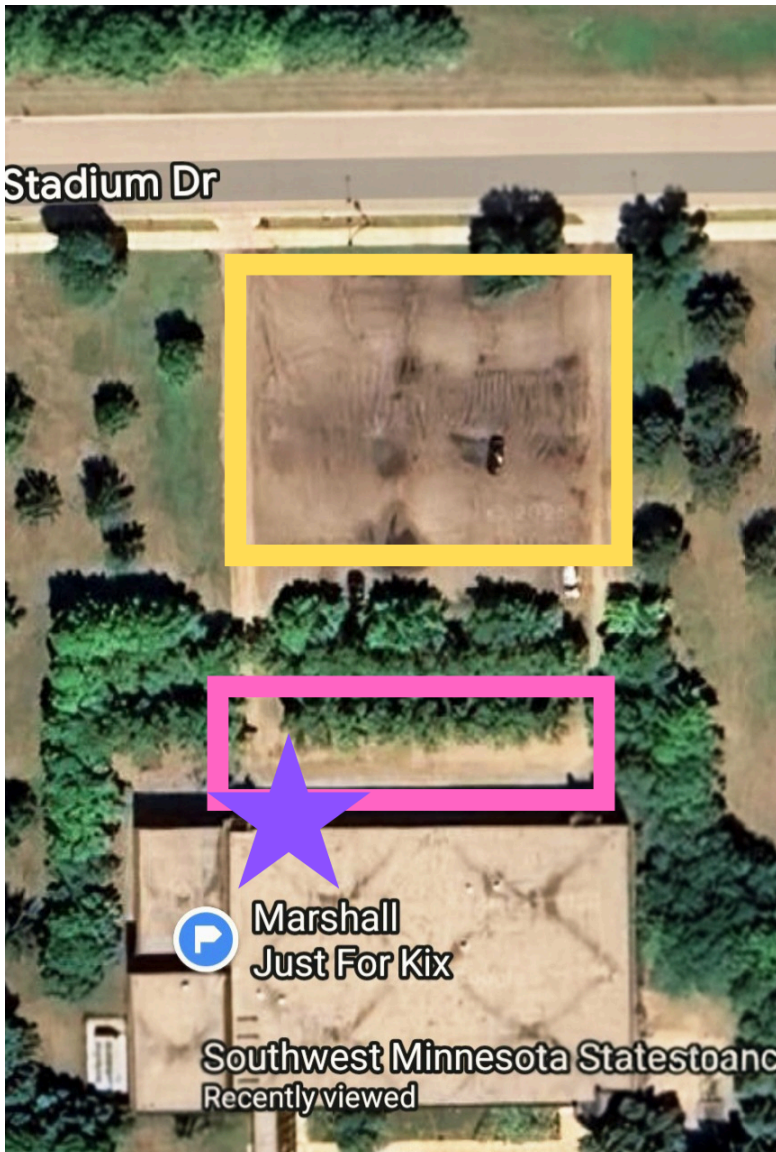

Drop Off / Pick Up - highlighted in pink

You can use the area highlighted in pink to drop off and/or pick up your dancer. We only recommend this for dancers that are in 4th grade on up.

Suite 2 Entrance Door

Our practice space is located inside the door straight ahead, then on your right. You will see a small sign that states "Gym" and one that states "Cafeteria". The bathrooms and a water fountain are located across the hall from our practice space.

Parking/Hallway Notes:

We understand that the parking lot and hallway can get congested at times - usually during class changes. After a few weeks of our season, things usually slow down a bit and we get into a rhythm with pick ups / drop offs and parents hanging out in the hallways. Thank you for your patience and understanding during our busy times!

Dancers 2 years through 3rd grade, we ask that a parent accompany them in and stay with them until their class starts, then come in to pick them up (if you choose to leave). You do not need to wait in the hallway during class, it is an option if you choose! We find when you bring them in before class it is a great chance to use the bathroom before class!

Our instructors are teaching in the Gym or Cafeteria, so are not able to watch children in the hallway. So we ask kids to wait with us if their parents are not there at the end of class.
