Class Expectations

- Dancers should wear clothes they can comfortably move in – no jeans, no jewelry, no gum!
- Dancers should have their hair in a ponytail or bun... out of their face.
- There are bathrooms and coat hangers in the education wing – please use them BEFORE class starts.
- There is no working water fountain yet – dancers can bring WATER for breaks... NO POP!!
- We have a “No Distraction Environment”
 - Practices are closed, but we allow observers in the last few minutes of class.
 - This helps keep kids focused, and provides extra incentive for dancers to work hard (performing for parents at the end of class).

Facility

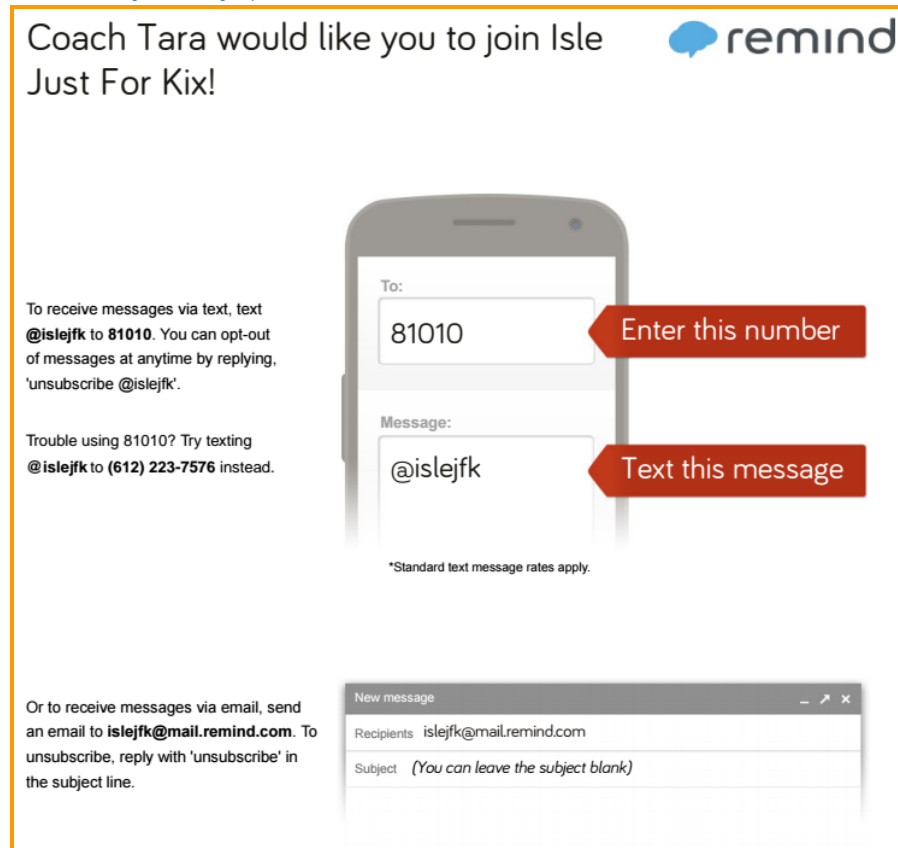

- Please use the side parking lot and entrance of the church. Faith Lutheran asks that dance families stay down in the education area of the church, no wandering around the church.
- Please leave the church in the same (or better!) condition as you found it – clean up after yourself.

Drop-Off and Pick-Up

- I can't supervise dancers who are waiting in the hallway. I expect them to be on their best behavior – no running around, and respect the facility's and other's property.
- If your dancers is one of the younger classes, please come in to the building to pick them up... if you're not there, I have them stay in the classroom with me until you are there.
