Dancers

- Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done. ***See the specifications for each class in this newsletter.*
- Each class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.
- Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the North lot.

ADMISSION

Remember to have your tickets available to give to the door monitors.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat is a good one. There will be no extra seating allowed in the auditorium.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

After the 1st show all dancers will return to the auxiliary gym to hold until the next show at 5pm. Dancers are allowed to bring food and water. If a dancer leaves between shows a parent must sign them out. A sign out sheet will be at the doors of the auxiliary gym.
