**DIVISION: This is when the division starts that the team is competing in.
If you want to see all of the teams in the division you want to be in the gym

"Done" time is when you can expect to be gathering up to leave.
If your dancer is in multiple dances, don't worry about cross over with arrive/done,
just use the last "done" time as your end of day estimate.

COLORS - this designates which of the four performance areas your dancer's team will compete in
