1 This is your homepage when logged into your account. Within your account, you can update your payment information, update your account information, check status of your uniform orders and check out our program website. Direct link to our program website: add /alexandria-mn to above url.

Pro tip: Add an alternate email in the Edit Account Section so my emails go to who they need to!

2 **Make Payment/Classes** is where you can see which classes your dancer is registered for and where you'll pay your monthly class fees. PRO TIP: check the box for AutoPay for your classes so you never have to worry about missing a payment and getting a late fee! This needs to be done each year. Payments are due on the 1st of each month and late fees are added on the 10th of each month ($10/dancer/class).
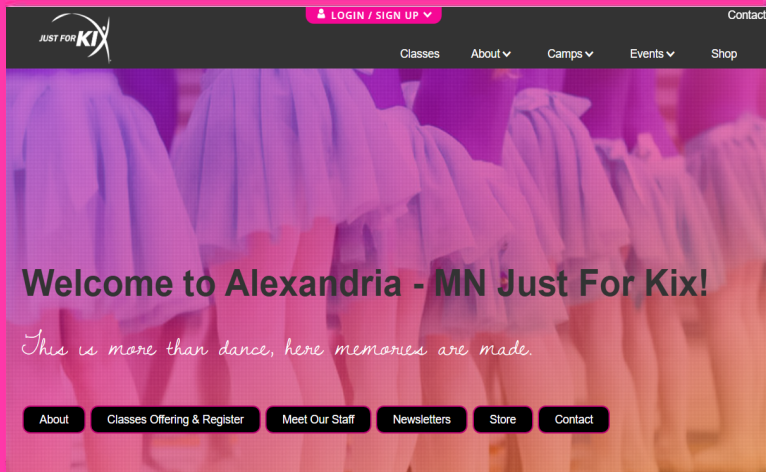

3 The **Merchandise** tab is where you'll find and order our Show Shirts. Some classes need the show shirt for their performance. Be sure to check your Show Newsletter to see if your class needs it!

5 The **Classes Offering & Register** button will take you to a list of our current class offerings. You can also filter your search by age. If the class you're looking for isn't up, please let me know! Usually we're working on things in the background and it'll show back up. Don't be afraid of a waitlist! I do watch waitlists and will always do my best to place your dancer in a class or open up more spots.
