Practice:

Dancers:

- Please wait at the bottom of the stairs for a coach to come and grab you, when they come up during a class it can be distracting
- Please stay out of the gym while waiting
- Please bring your dance shoes - these floors are great for dance shoes, not so much sneakers
- We will walk ending classes down the ramp to help traffic.

Parents:

- Please wait for your dancer at the ramp, when parents come up during practice it can get distracting for our little ones!
- We will start inviting parents in to watch routines during the last 5 minutes on the last practice of each one. (Pre-k through 1st grade classes only)

PLEASE WEAR YOUR DANCE SHOES TO PRACTICE

Digital Dance:

Just For Kix has an amazing free resource called digital dance
They have so many helpful how to videos and tips for skills/tricks. I highly encourage your dancer to check it out!
