

Happy October!

CLASS PAYMENT DUE TODAY

Happy October! We already have a month of our season under our belt! The amount of improvement from all the dancers I have noticed even from the end of last season has blown me away - I am so proud of everyone's hard work.

Band

Each age group has one Band group this year. So if your dancer is in a class that starts with the word mini you would join the Mini Classes Band! This is where I will post more class orientated information, such as videos/pictures from class, and anything that is specific to that age group!

Costumes:

More and more uniform items are coming in each week! It is totally normal to not get all of your items at once.

Returns/Exchanges

As costume items keep coming in, be sure to try things on right away. If a return/exchange needs to be made, please fill out the green sheet that comes with your item. I will send returns back for you until December 1st!

*I have been having dancers try things on at class and exchanging if they need a different size!

Save the dates:

Picture days will be December 17th and December 20th!

Here is the picture day schedule:

[Picture Day Schedule](#)

** SDS pictures can be taken at the end of a group session

I have not received any competition dates yet but all Just For Kix programs will be registering for competitions Oct 12th. If you have any dates you know for sure will absolutely not work for a good majority of our group (like basketball tournaments, first communion, confirmation) please let me know so I can plan accordingly 😊

Reliaquest Bowl:

Please fill out this google form if your dancer is planning on going to the Reliaquest Bowl - this is not formally committing yet, but you can get the fundraiser process started and always change your mind later!

[Reliaquest Bowl Participation Form](#) - deadline was Sept 29th to fill this out but if you change your mind and want to go, just let me know 😊

Next Meeting:
Topic: Fundraising
October 13th @ 4:00pm

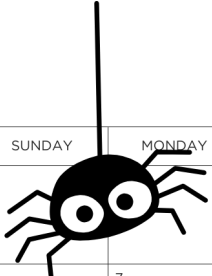

Custom Wear:

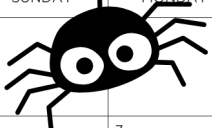

Our team store will open October 20th and close November 3rd! All items will arrive before Christmas so they can be used as Christmas presents too! Link to come closer to ordering time. 😊

Buddy Night:

We will be having buddy night October 8th-11th! If you have a friend/family member who is interested in trying a class, bring them to practice that week! All dancers will receive a postcard to invite someone the week prior and if a buddy returns the postcard to me filled out, both the buddy and dancer will be entered into a drawing to win a free shirt from our custom wear order!!
