*I still would like to add in a show in March for non-comp teams and SDS dancers but am still getting details down!

Custom Wear:

Link to order: [Move U Store](#)

I am so excited for our sweatshirts and joggers this year - I'm obsessed with the material it comes in. It's lightweight, so so soft and still feels great after many washes! I have 2 crewnecks in this material in size medium if anyone wants to try on or see what the material is like!

While nothing is required to purchase, I would recommend the sweatsuit to dancers to wear for competition warm up! SDS dancers I highly recommend the sweatsuit, for warming up solos/duets and for awards! It always looks nice when teams match!

These items also make great Christmas presents! If you decide to use it for Christmas please let me know, so I do not give it to your dancer in class!

Autumn Schmidt and her buddy won our buddy night drawing!

Winter Show:

Our winter show will be December 14th! More winter show details will come within the next week!
